The Golf

our most
intuitive yet!

The Golf has shaped its own class for generations and continues to do so with its sporty, dynamic and striking appearance. It's sure to turn heads wherever you go!

Packed with ground breaking technological advancements, the iconic Golf has been a favourite among Irish motorists for years.

Find the one that's right for you!

Beautifully designed

Technologically advanced

Charismatic, confident and capable, the Golf features a powerful new design and a wealth of technology. New generation infotainment systems and advanced driver assistance systems ensure you're equipped to handle just about anything everyday life can throw at you. And as you'd expect, it's all done with effortless style and flair.

It's time to experience the future. Today.

01 Newly designed bumpers to the front and rear, a restyled radiator grille, new headlights with LED daytime running lights, rear LED tail lamp assemblies, redesigned front wings and a fresh selection of alloy wheels and colours give a stylish updated look and feel to this iconic car. Model shown is Golf R-line with optional 18-inch 'Sebring' alloy wheels, LED headlights, Winter pack and 'Oryx White' Pearl effect paint.

Model shown is Golf R-line with optional 18-inch 'Jurva' alloy wheels and 'Atlantic Blue' metallic paint.

Model shown is Golf R-line with optional 18-inch 'Sebring' alloy wheels, LED headlights and 'Oryx White' Pearl effect paint.

01 The front of the Golf is characterised by the instantly recognisable Golf styling. Changing with the times while remaining true to its heritage, the latest generation Golf delivers on every level.

01

Exterior

With its powerful, refined design, the Golf makes a real statement. The characteristic C-pillar, generous wheelbase and short overhangs create an unmistakable silhouette, while the redesigned bumpers, restyled radiator grille with extended chrome strip and new headlights accentuate the width, creating presence and style.

Model shown is Golf R-line with optional 18" 'Sebring' alloy wheels and 'Atlantic Blue' Metallic paint.

Interior

Space meets comfort, meets quality, meets new technologies. All of this awaits you inside your Golf – with a single goal: to make every journey as relaxed as possible.

01 Active Info Display. The Active Info Display is a fully configurable, interactive 12.3 inch display which replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard quickly and easily using the multifunctional steering wheel. Five different modes allow you to customise the screen, with large or small dials as you prefer. When used in navigation mode, in conjunction with the ‘Discover Media’¹ or ‘Discover Pro’ systems, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you can include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music’s compatible cover art, can also be displayed on the dash. Standard on Highline and R-Line. Optional on Comfortline only in conjunction with optional ‘Lights and Vision’ pack.

02 New intelligent dashboard and controls. The new intelligent dashboard and controls provides, with a sophisticated new design, larger infotainment touchscreens and intuitive operation. The large 8 inch display of the optional ‘Discover Pro’ touch-screen navigation radio system features a stylish glass surface, with higher resolution display and sharper graphics and operable with touch, voice and gesture control. In addition, new decorative trim panels in the door, dash and centre console, along with a new selection of stylish seat upholsteries, allow you to personalise your Golf to your taste, creating your own interior ambience.

¹ When the large navigation map is displayed on the full Active Info Display in conjunction with the 'Discover Media' system, the navigation map cannot be displayed on the central 8-inch infotainment touch-screen

Interior shown is with 'Discover Pro' touch-screen navigation radio system, optional on GTI/R models.

Interior shown is with 'Discover Pro' touch-screen navigation radio system, optional on GTI/R models.

Infotainment

The Golf incorporates the latest generation infotainment systems, providing new levels of connectivity and intuitive operation, utilising touch-screens, voice control, phone operation and, for the first time ever, gesture control.

01-02 Innovative gesture control. Innovative gesture control enables you to operate the optional 'Discover Pro' touch-screen navigation radio system with the greatest of ease. Using a simple sideways swiping gesture, you can scroll through the main menu, change radio stations or flip through playlists. Successful swipes are confirmed by a sound effect that can be deactivated if you wish. Optional on GTI/R models. Images shown feature optional 'Discover Pro' touch-screen navigation radio system. Optional on GTI/R models.

03 Wireless smartphone charger ¹. The wireless smartphone charger allows Android smartphone charging without the use of cables. The storage compartment in the front centre console contains a wireless charging pad for your phone. Non-Qi-compatible smartphones can be retrofitted with a cover or wireless charging module to allow operation. Please see www.qinside.biz/en/support/qi-enabled-phones-2019 for full details. Optional on Comfortline, Highline and R-Line models. It must be ordered in conjunction with two USB interfaces.

¹ Inductive charging eliminates AUX-in socket and must be ordered in conjunction with two USB interfaces.

01 'Composition Colour' radio system. The 'Composition Colour' radio system is equipped with a 6.5 inch colour touch-screen, SD card reader and USB connection. It also features Bluetooth connectivity¹, title and compatible cover art display and facilitates music playback from MP3, WMA and AAC files through four speakers front and rear with 4 x 20 watt output. Car information display provides journey analysis and driver tips for more fuel efficient driving. Standard on Trendline models.

02 'Composition Media' radio system. The 'Composition Media' radio system is equipped with a glass-covered 8-inch colour touch-screen, Multi Device Interface (MDI), SD card reader and USB connection. It allows music playback from MP3, WMA and AAC files, simultaneous pairing of two compatible mobile devices¹, SMS functionality, Bluetooth telephone and audio functionality, and provides driver tips and journey analysis via the 'Think Blue. Trainer.' Eight speakers, situated to the front and rear, deliver 4 x 20 watt output. Standard on Comfortline, Highline and R-Line models.

03 'Discover Media' navigation system. The 'Discover Media' navigation system adds navigational functionality to the 'Composition Media' system, providing dynamic navigation, points of interest, preloaded European navigation data, Speed Limit Display², three routes (Fast, Short and Eco), and 2D/3D map view. It comes with 3-years' **Car Net 'Guide and Inform'**³, providing online access to such information as fuel pricing, parking space availability, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. Optional on Highline and R-Line models.

04 'Discover Pro' navigation radio system. The 'Discover Pro' touch-screen navigation radio system features a glass-covered 9.2 inch colour touch-screen for navigation and radio functions. It responds to spoken voice commands for navigation and telephone functions, and also features gesture control for use with various different menus, responding to a sideways swiping gesture and confirming a successful swipe with a sound effect, which can be deactivated if required. Building on the 'Composition Media' specification, it is equipped with a 64 GB SSD hard drive, preloaded European navigation data, 3D map view, three calculated routes (Fast, Short and Eco), dynamic navigation, points of interest, Speed Limit Display², photo display from JPEG and PNG files and two SD card readers. It comes with 3-years' **Car Net 'Guide and Inform Plus'**³, providing online access to such information as fuel pricing, parking space availability, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. Optional on GTI/R models.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
² Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
³ Car-Net 'Guide and Inform' and 'Guide and Inform Plus' services are accessed via a compatible mobile device. Please see www.volkswagen.ie for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.

Interior shown is with 'Discover Pro' touch-screen navigation radio system. Optional on GTI/R models.

Model shown is Golf R-line with optional 18" 'Sebring' alloy wheels and 'Atlantic Blue' metallic paint.

Connectivity

Volkswagen provides online services in your Golf via optional App Connect, giving you a wealth of practical services and apps to help simplify your everyday life on the road and helping to make it a more enjoyable and exciting experience.

01-02 We Connect 'Guide and Inform'¹. We Connect 'Guide and Inform' gives you online access to a wide range of useful information, such as weather, exciting destinations in your surrounding area, nearby parking spaces or the next filling station. We Connect 'Guide and Inform' is standard on the optional, 'Discover Media' touch-screen navigation system optional on Highline and R-Line and the optional 'Discover Pro' touch-screen navigation system on GTI/R models. Image shown features optional 'Discover Pro' touch-screen navigation radio system.

02 App-Connect². App-Connect allows your Golf to connect with current Apple and Android smartphones through three innovative technologies: Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'TM. This enables you to 'mirror' your smartphone's most important functions, such as phone contacts, receiving and sending texts and music on the touch-screen of your infotainment system, and if you choose, you can even operate the system by voice control, allowing you to manage them simply and safely during your journey. Please note, there is usage of only certified apps while driving. Standard on Comfortline, Highline and R-Line models. Image shown features optional 'Discover Pro' touch-screen navigation radio system.

We Connect 'Security & Service'. Security & Service' features functions that will make your journey even safer. The We Connect Service package offers you mobile access to important vehicle functions and combines security with transparency for even more comfort. A reassuring feature of 'Security & Service' is the Emergency Call Service. In emergency situations, your vehicle calls for help automatically or you can press a button to do so. If your Volkswagen detects an accident, the Service connects to the Volkswagen Emergency Call Centre and passes on key information. The Emergency Call Centre will deploy the emergency services if required. Standard on Highline and R-Line.

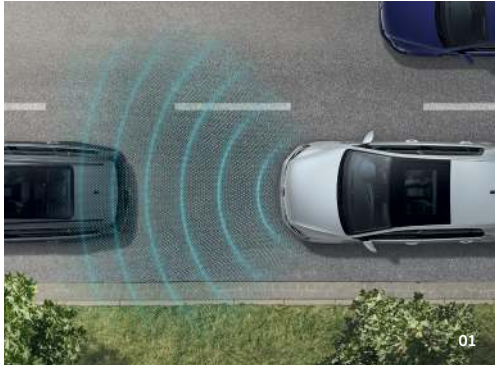

¹ We Connect 'Guide and Inform' and 'Guide and Inform Plus' services are accessed via a compatible mobile device. Please see www.volkswagen.ie for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year We Connect contract, an annual subscription is chargeable for the continuation of We Connect 'Guide and Inform' services.

² Only operable in conjunction with compatible smartphones. Please see www.volkswagen.ie to check smartphone compatibility.

Driver assistance systems

Intelligent driver assistance systems ensure greater comfort and convenience on your journey, and can help you to overcome or avoid potentially critical situations.

01 Adaptive Cruise Control (ACC). Adaptive Cruise Control (ACC) including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter, offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely. Standard on Comfortline, Highline and R-line models.

¹ Operates within the limits of the system

02 Forward collision warning 'Front Assist' with pedestrian recognition warning. Forward collision warning 'Front Assist' with pedestrian recognition controlled warning system. Front Assist monitors the traffic situation in front of your car, warning you when you get too close and even applying the brakes to help avoid a collision. Pedestrian recognition warning alerts you should the system detect any pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals as well as a gentle jolt of the brakes¹. Standard on all trims.

03 Parking Distance Control . In your Golf, reversing into tricky spaces is made easier and helps prevent damage to your car. The system has up to six ultrasonic sensors located in the rear - and sometimes the front - bumpers. Compact, and painted in the body colour, they blend in well and are barely visible. The sensors monitor a range of up to 150 centimetres behind and, depending on the model, in front of the vehicle. The system swings into action when you engage reverse gear, or at very low speed.

04 Emergency Call Service. Every second counts in an emergency. The touch of a button is all it takes to connect you to an emergency call centre. Alternatively, your Volkswagen will automatically call for assistance, forwarding key data such as your location, vehicle and number of passengers straight to the call centre.

Golf R-Line

An all-round impressive design: the R-Line trim adds a sporty touch with numerous equipment details on the exterior. The R-Line front bumper, with typical C signature and ventilation grilles with honeycomb structure, is truly eye-catching. The radiator grille in high-gloss black with the R-Line logo fits in perfectly with the ambitious look and the R-Line design element on the side panel further enhances the athletic exterior.

As soon as you climb in, you will notice the optional interior pack on the R-Line trim adds a sporty touch with numerous equipment details and high-quality materials, such as the sill panel trim, pedal cluster in brushed stainless steel and floor mats with decorative stitching. The optional R-Line sport seats in 'Vienna' leather and the striking R-Line logo on the front seat backrests enhance the sporty feel in the interior of your Golf.

01 Interior shown is Golf GTI DSG in 'Tornado Red' solid paint with 'Clark Red' cloth, optional Winter pack and 'Discover Pro' touch-screen navigation radio system.

The GTI, the rebel returns

Cool, stylish and powerful, the Golf GTI is back, delivering exhilarating performance and pure driving pleasure. Unique exterior styling creates a powerful road presence, while sports running gear with the XDSPlus electronic differential lock improves traction and handling, and lowered sports suspension hugs the road, especially on corners. With its new turbocharged 2.0 litre TSI petrol engine delivering 245HP, and with a wealth of driver assistance systems, the Golf GTI is all you'd expect and more.

Interior shown is Golf R DSG with optional Winter pack and 'Discover Pro' touch-screen navigation radio system.

The Golf R

The ultimate performer

Ready to go at a moment's notice, the Golf R delivers sheer, unadulterated power. Sports-tuned suspension and 4MOTION all-wheel drive ensure control and comfort, while the powerful 2.0 litre TSI 300HP 4MOTION petrol engine delivers power exactly when and where you need it. Are you ready to go?

Model shown is Golf R with optional 19-inch 'Pretoria' alloy wheels and 'Lapiz Blue' metallic paint.

Upholstery

¹ Some parts of leather interior will contain artificial leather. Please note: Swatches reproduced for illustration purposes only. Actual upholstery colours may vary from those shown, as print processes do not allow exact reproduction of the upholstery colours.
² Optional on R-Line models only as part of the 'R-Line' exterior and interior styling pack option.

- 01 **'Basket' cloth** Titan Black. Standard on Trendline.
- 02 **'Zoom' cloth** Titan Black. Standard on Comfortline.
- 03 **'Vienna' leather**¹ Titan Black. Standard on Highline and R-Line
- 04 **'Vienna' leather**¹ Pure Grey. Vienna Leather also available in Shetland. Optional on Comfortline. Standard on Highline and R-line.
- 05 **'Vienna' 'R-Line' leather**³ Titan Black. Optional on R-Line.

Paint

- 01 **Urano Grey Solid**
- 02 **Tornado Red Solid**
- 03 **Pure White Solid**

- 04 **Atlantic Blue Metallic**
- 05 **Tungsten Silver Metallic**
- 06 **Indium Grey Metallic**
- 07 **Deep Black Pearl Effect**
- 08 **Cranberry Red Metallic** (not available on R-Line)
- 09 **Oryx White Pearl effect paint**¹
- 10 **Reflex Silver Metallic**

¹ Oryx White Pearl effect paint is a special paint finish and are therefore priced differently to other paints.

Models shown are R-Line with optional 18-inch 'Jurva' alloy wheels
Please note: Colour range is reproduced for illustration purposes only. Actual on-car colours may vary from those shown, as print processes do not allow exact reproduction of the paint colours.

Wheels

Stylish alloy wheels contribute to the charismatic road presence of the Golf, with a choice of elegant, classic or sporty designs adding a touch of individuality.

01 15-Inch 'Lyon' Alloy wheel. Standard on Trendline
02 16-Inch Alloy wheel 'Toronto'. Standard on Comfortline
03 17-Inch Alloy wheel 'Dijon'. Standard on Highline and R-line

04 17-Inch Alloy Wheel 'Singapore'. Optional on Highline and R-line
05 17-Inch Alloy Wheel 'Sebring'. Optional on Highline and R-line
06 18-Inch Alloy wheel 'Sebring'. Optional on R-line
07 18-Inch Alloy wheel 'Jurva'. Optional on Highline and R-line

Discover the World of Volkswagen

Engines

For a full overview of engine availability, please download the Golf product guide at volkswagen.ie

Fuel Consumption

Fuel Consumption l/100km (max. - min): 6.6 - 5.0 (GTI/R 8.7 - 7.5). CO2 emissions g/km (max. - min.): 150 - 127 (GTI/R 197 - 169). Increased weight of a vehicle, including higher trim levels and the addition of options may have an effect on the fuel consumption and CO2 emissions produced. The CO2 and fuel consumption figures are the official figures obtained from tests under standardised EU test conditions.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO2 emissions. Information correct at the time of print. WLTP replaces the previous NEDC test method. The WLTP Min. values refer to the minimum values of the standard entry version excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO2 emissions produced. The WLTP Max. values refers to the maximum value achieved considering optional extras. To discover exact values please configure your desired vehicle at volkswagen.ie/build . You can discover more about the WLTP at volkswagen.ie/wltp

The Volkswagen Warranty

Three-year Warranty

All Volkswagen Golf models come with a three-year/90,000km warranty which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises of a two-year manufacturer's warranty with unlimited mileage plus a further one-year/90,000km (whichever is soonest) warranty*. Full details of the three-year warranty are available from your authorised Volkswagen retailer.

* All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Three-year Paint Warranty

The paintwork of the Golf is covered against manufacturing defects for a period of three years. Naturally, the Golf must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your Volkswagen retailer for full warranty details.

12-year Body Protection Warranty

The internal body sections and panels of the Golf are covered against rusting through from the inside for 12 years. Naturally, the Golf must be cared for in compliance with the operating instructions. Please consult your Volkswagen retailer for full warranty details.

Service Intervals for Engines

Full details of what checks and work are recommended at each service are contained in the Service Book and your retailer will be able to advise you of any particular requirements.

Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list.

Volkswagen Finance

Volkswagen Finance offers a dedicated service to meet the needs of both the business user and the private motorist. We can help you choose the right type of finance and will tailor the package to meet your specific requirements. Please consult your Volkswagen retailer for details.

Volkswagen Assistance

Every new car is registered for Volkswagen Assistance for three years. This provides vehicle recovery in the unlikely event of a breakdown (subject to conditions).

Please Note:

Every effort has been made to ensure that the contents of this publication (including CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going to press October 2019. Please be aware that model year and

other changes (including specification or individual options) may impact on fuel consumption or CO₂ figures. Please check with your retailer regarding any queries on a specific model or chassis number. Volkswagen Ireland reserves the right to change specifications and withdraw products from sale without notice. Any such alterations will be notified to Volkswagen retailers at the earliest opportunity; please consult your local Volkswagen retailer for the latest product information.

Some illustrations in this brochure do not necessarily reflect Irish specifications. Consequently, controls and some items of equipment are positioned differently for Ireland.

The specifications contained in this brochure are for information purposes only as we cannot confirm the exact specifications of the vehicles. If you require any specific feature, you must consult your Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your Volkswagen retailer prior to ordering.
