Model shown is the T-Cross R-Line in optional 'Makena Turquoise' metallic paint with optional 18" 'Nevada' alloy wheels

Unique in every way

The T-Cross is as versatile as the people for whom it is built – individuals who don't allow any one thing to define them. They're much more than that. They want more – and they get more. Get ready to be captivated by a car that doesn't fit in any box and is unique in every way.

Model shown is the T-Cross Style in optional 'Energetic Orange' metallic paint.

As flexible as your lifestyle

There's nothing standard about it. Leave convention behind with the T-Cross. It offers a host of exterior features and design details ensuring a lasting impression from the first time you lay eyes on it. You'll find it hard to look away.

Model shown is the T-Cross R-Line with optional 18" 'Nevada' alloy wheels in optional 'Makana Turquoise' premium metallic paint.

Exterior

01

Model shown is the T-Cross R-Line with optional 18" 'Nevada' alloy wheels in optional 'Makena Turquoise' metallic paint.

01 'Nevada' alloy wheels. You decide which wheels will best enhance the look of your T-Cross. And with a wide range to choose from, you will be spoilt for choice. The 18- inch 'Nevada' alloy wheels are just one option of many.

02

02 Rear Design. Embrace the modern design of your T-Cross with open arms. The view from behind is just as appealing – the rear with its striking reflector strips and LED tail lights will turn heads wherever you go.

03

03 LED Headlights. Be a guiding light: The LED headlights in the T-Cross make quite an impression thanks to their striking design – the dynamic hockey-stick shape of the integrated LED daytime running lights is especially distinctive. Meanwhile, the o-shaped chrome element in the bumper that surrounds the cornering light is guaranteed to draw attention.

For those who refuse to fit in

Everybody demands different things: from life, from themselves and from the car that takes them where they need to go. The equipment lines with their various design, function and comfort highlights allow you to tailor your T-Cross to your exact requirements.

01 Lizard decorative inlays. The T-Cross features Lizard decorative inlays in a compelling 2D look. The décor incorporates everything from the dash panel to the front doors to create a virtually seamless transition and a fresh, modern look accentuated by the indirect ambient lighting. Standard on T-Cross Style and R-Line.

02 Jumbo Box. The practical jumbo box between the front seats is more than an adjustable armrest. It provides space for storing tissues, soft drink cans, bottles and much more. Additionally, from T-Cross Life models, there are two USB ports on the rear of the jumbo box, which is convenient for passengers who want to charge their devices.

03 Life Equipment Line. The Life equipment line is designed to make you feel right at home from the outset: highlights including the 2-Zone Climatronic unit, Adaptive Cruise Control, leather multifunction steering wheel and voice control turn every journey into a top quality experience.

04 Style Equipment Line. The T-Cross with the Style equipment line guarantees exceptional comfort thanks to the front sports comfort seats that provide optimum support for your back. The rear tinted windows and silver anodised roof rails add a touch of class while 'Park Distance Control' gives you that extra peace of mind. Meanwhile, the ambient lighting creates exactly the right mood inside the vehicle. This is augmented by the Lizard décor with polished coverings in the central console.

Make it your own

Model shown is the T-Cross Style with optional 'Energetic Orange' Design package in optional 'Energetic Orange' metallic paint.

Take advantage of the optional Energetic Orange design package and make your T-Cross even more dazzling. It's the perfect option for those who make no compromise when it comes to individuality or character. Be bold! It can be grey out there on the road – but you don't have to be.

01

02

03

01 'Köln' alloy wheels. The 18-inch 'Köln' alloy wheels in 'Energetic Orange' for the T-Cross Style and R-Line provide a splash of colour that simply refuses to be ignored.

02 Seat Upholstery. The seat upholstery for the central and inner panels is decked out in orange and ceramique for a modern, cool aesthetic. The colours certainly enhance the look of the sports comfort seats.

03 Transition decor. A real eye-catcher: The Transition décor with 3D design in 'Energetic Orange' and grey is an arresting design highlight.

R-Line

Most people like to show off their sporty side. The T-Cross R-Line makes it easier to do so more than ever. This is clear from the 17-inch 'Sebring' R-Line alloy wheels, the design strips on the side with the R-Line logo, the prominent skirts on the doors and the front and rear bumpers. The R-Line features also give the T-Cross a sportier appearance inside as well with the optional R-Line Interior package – with the multifunction sports steering wheel in leather with the R-Line logo and decorative stitching, the stainless steel pedals and the sports comfort seats in 'Carbon Flag' fabric and seat bolsters with 'ArtVelours' micro fleece on the inner side together with an embroidered R-Line logo.

Model shown is the T-Cross R-Line with optional 18" 'Nevada' alloy wheels and R-Line Interior in optional 'Reef Blue' metallic paint.

Infotainment

You decide what you want to see: the Active Info Display (10.25 inch) shows all key vehicle information. As well as a host of useful features, the other multimedia and connectivity equipment in the T-Cross gives you something that is truly indispensable: the feeling that you're in the right car.

01 Active Info Display. The Active Info Display allows you to enjoy all the benefits of an instrument cluster that does much more than just indicate the cars speed and fuel level. From a full-size map to the various media features to the digital speedometer, you decide exactly what you see on the display. Optional from T-Cross Life.

02 USB Ports. Two USB ports at the rear of the central console enable your passengers sitting in the back to charge their devices with ease – you'll never have to worry about low battery again. Standard from T-Cross Life.

Connectivity

03 App-Connect. Expand your cockpit – App-Connect transfers your smartphone apps to your Infotainment system's touchscreen: Apple CarPlay™, Android Auto™ by Google and MirrorLink® – all three innovative technologies are available inside your vehicle, enabling you to take advantage of a range of useful and entertaining features. Standard from T-Cross Life.

04 Beats Sound System. Prefer your tunes to have that unique bass rumble? The beats sound system by the audio specialists at BeatsAudio is designed to provide optimum sound in your T-Cross, wherever you're sitting. The sub-woofer produces solid bass tones that are guaranteed to rock your world. All speakers are supported by an eight-channel amplifier with a 300- watt output – powerful enough to get your head nodding and your passengers singing. Optional from T-Cross Style.

05 Comfort mobile phone interface. The Comfort mobile phone interface allows you to talk with whomever you please during your journey. One extremely practical feature is the integrated shelf with inductive charging function. An inductive connection on the exterior antenna guarantees minimal disruption to your reception when using the hands-free feature. You can activate it via the multifunction display, the multifunction steering wheel or the radio touchscreen. Optional from T-Cross Life.

Driver assistance systems

Prefer to make your own path? The T-Cross does too. A host of driver assistance systems – including the Lane Assist lane departure warning system – helps you to overcome any potential obstacles.

01 Lane Assist - Lane Departure warning system. The Lane Assist - Lane Departure warning system can – from speeds of 60 km/h – detect whether the vehicle is unintentionally leaving its lane.¹ The corrective steering assistance feature can prompt the driver to return their attention to the road.^{1, 2} Standard on all models.

02 Adaptive Cruise Control. Helps you to maintain a previously specified top speed within the legal confines of the top road speed limits in Ireland³ as well as a suitable distance between your vehicle and the one in front of you.¹ Standard from T-Cross Life.

03 Rear View reversing camera. Helps you with reversing manoeuvres.¹ The camera image on the radio display or navigation system shows the area behind the vehicle. Optional from T-Cross Life.

04 Park Distance Control. When manoeuvring, the system issues acoustic and visual warnings when it detects obstacles in front of and behind the vehicle.¹ The integrated manoeuvre braking function can prevent collisions or minimise their impact by applying an emergency brake when reversing at speeds of up to 10 km/h.¹ You can activate the manoeuvre braking function at the touch of a button, enabling it to intervene when the vehicle is driving forwards as well. Standard on T-Cross Style and R-Line. Optional on T-Cross and T-Cross Life.

05 Blind Spot sensor. Activates LEDs in the relevant exterior mirror to warn you if there is a vehicle in your blind spot.¹ When reversing out of a parking space, the integrated Rear Traffic Alert system can monitor the area behind your vehicle and warn you of any traffic that crosses this space.¹ Standard on all models.

¹ Within the system's limits.
² The driver must be prepared at all times to override the assist systems. They are not released from their responsibility to drive with the utmost care.
³ Up to 120 km/h.

Discover the World of Volkswagen

Engines

For a full overview of engine availability, please download the T-Cross product guide at volkswagen.ie

Fuel Consumption

Fuel Consumption l/100km (max. - min): 6.6 - 5.2. CO₂ emissions g/km (max. - min.) 149 - 133. Increased weight of a vehicle, including higher trim levels and the addition of options may have an effect on the fuel consumption and CO₂ emissions produced. The CO₂ and fuel consumption figures are the official figures obtained from tests under standardised EU test conditions.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO₂ emissions. Information correct at the time of print. WLTP replaces the previous NEDC test method. The WLTP Min. values refer to the minimum values of the standard entry version excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. The WLTP Max. values refers to the maximum value achieved considering optional extras. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp

The Volkswagen Warranty

Three-year Warranty

All Volkswagen T-Cross models come with a three-year/90,000km warranty which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises of a two-year manufacturer's warranty with unlimited mileage plus a further one-year/90,000km (whichever is soonest) warranty*. Full details of the three-year warranty are available from your authorised Volkswagen retailer.

* All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Three-year Paint Warranty

The paintwork of the T-Cross is covered against manufacturing defects for a period of three years. Naturally, the T-Cross must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your Volkswagen retailer for full warranty details.

12-year Body Protection Warranty

The internal body sections and panels of the T-Cross are covered against rusting through from the inside for 12 years. Naturally, the T-Cross must be cared for in compliance with the operating instructions. Please consult your Volkswagen retailer for full warranty details.

Service Intervals for Engines

Full details of what checks and work are recommended at each service are contained in the Service Book and your retailer will be able to advise you of any particular requirements.

Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list.

Volkswagen Finance

Volkswagen Finance offers a dedicated service to meet the needs of both the business user and the private motorist. We can help you choose the right type of finance and will tailor the package to meet your specific requirements. Please consult your Volkswagen retailer for details.

Volkswagen Assistance

Every new car is registered for Volkswagen Assistance for three years. This provides vehicle recovery in the unlikely event of a breakdown (subject to conditions).

Please Note:

Every effort has been made to ensure that the contents of this publication (including CO₂ , fuel consumption and technical information) were accurate and up-to-date at the time of going to press

January 2020. Please be aware that model year and other changes (including specification or individual options) may impact on fuel consumption or CO₂ figures. Please check with your retailer regarding any queries on a specific model or chassis number. Volkswagen Ireland reserves the right to change specifications and withdraw products from sale without notice. Any such alterations will be notified to Volkswagen retailers at the earliest opportunity; please consult your local Volkswagen retailer for the latest product information.

Some illustrations in this brochure do not necessarily reflect Irish specifications. Consequently, controls and some items of equipment are positioned differently for Ireland.

The specifications contained in this brochure are for information purposes only as we cannot confirm the exact specifications of the vehicles. If you require any specific feature, you must consult your Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your Volkswagen retailer prior to ordering.
