Opens up a world of opportunity

On road, off-road and online

On road, off-road and online, the Tiguan opens up a world of possibilities. The all-new design provides greater functionality than previous models, enhancing handling and performance on a wide range of terrains, from motorway to narrow roads, while the latest technology opens up the virtual world ensuring greater connectivity and more real-time services than ever before. Whether you prefer elegant and refined, dynamic and sporty or rugged and robust, there's a Tiguan model for you, impressively equipped with a range of advanced features to ensure new levels of driving enjoyment wherever you are.

01 LED Technology. Integrated dark red tail lamp assemblies, equipped with LED technology for optimum performance and visibility, blend harmoniously into the bodylines, creating a dynamic three-dimensional look. Standard on Highline and R-Line models.

Model shown is Tiguan Highline in optional 'Tungsten Silver' metallic paint with standard 18" wheels and optional LED headlights with Dynamic Light Assist.

Model shown is the Tiguan Highline DSG 4MOTION with optional 'Discover Pro' navigation, optional heated steering wheel and 'Vienna' leather upholstery in Titan Black finish.

01 Electrically Operated Panoramic Glass Sunroof. The electrically operated, panoramic glass sunroof adds additional light and space, filling the interior with natural light and providing an inviting view of the sky above. Optional on Comfortline, Highline and R-Line.

Total control at your fingertips

Functionality and ergonomics go hand in hand in the Tiguan. The premium quality centre console is angled towards the driver for optimum driving convenience, placing the infotainment system easily within reach whilst having every switch and control intuitively to hand. With controls optimally positioned and information clearly in view, driving the Tiguan is so much fun.

Model shown is the Tiguan Highline with optional "Vienna" leather upholstery in Storm Grey.

On road or off-road, the adventure starts here

The Tiguan boasts a smart new look that's longer and lower than previous models, providing more interior space and helping to improve drive and handling. Sharp lines, stylish alloy wheels and details such as optional LED daytime running lights, give a look that is dynamic, strong and unmistakably Volkswagen. High torque engines and new 4MOTION Active Control with a choice of driving modes provide optimum handling whatever the weather conditions.

01

01 LED Headlights with Dynamic Light Assist. Daytime running lights feature LED technology for greater visibility, and fit flush with the newly designed LED headlights with Dynamic Light Assist, enhancing the Tiguan's sporty new look. Optional on Highline and R-Line models.

02

02 4MOTION Active Control. All 4MOTION models feature 4MOTION Active Control which allows you to adapt your Tiguan to suit the weather and road conditions ahead. Choose from four driving modes including On road, Off-road, Off-road Individual and Snow, enabling you to find the optimum choice of driving mode wherever your adventures may take you. Standard on all 4MOTION models.

01

Model shown is the Tiguan R-Line with optional "Vienna" leather upholstery with R-Line logo in Titan Black.

Elegant and beautifully crafted design in perfect harmony with advanced technology

01 Ambient Lighting. The lighting in the Tiguan illuminates the interior, creating a pleasant interior atmosphere and enhancing the sense of spaciousness. Integrated LED lights in the front footwell, door sill protectors, dashboard and decorative inserts in the front door panels give a luxurious feel with the brightness adjusted via the infotainment screen. Standard on Highline and R-Line models.

02 Active Info Display. The Active Info Display provides a system that can be tailored to suit your exact preferences. The fully configurable, interactive 11.7 inch display replaces the standard analogue instrument cluster, displaying vehicle data and information on your dashboard. When used in navigation mode in conjunction with the optional 'Discover Media' Navigation¹ or 'Discover Navigation Pro' systems, you can move the speedometer and rev counter to the edge of the display, creating more space for the navigational map. If you wish, you are able to include driving, navigation and assistance functions within the graphics of the speedometer. As the Active Info Display is linked to all other assistance systems in the vehicle, any data shown in the centre console of the infotainment system, such as phone numbers or your music's compatible cover art, can also be displayed on the dash conveniently placed directly within the driver's optimum field of vision. Standard on Highline and R-Line models.

03

03 3-Zone Climatronic air conditioning system. The 3-Zone Climatronic air conditioning system ensures a pleasant interior temperature to suit the individual preference of the driver, front passenger and rear seat passengers. Rear seat passengers are able to make adjustments via an electronic control panel conveniently located to the rear of the front centre armrest. A sensor monitors the outside air quality and, if necessary, automatically activates the air recirculation function. Standard on Comfortline, Highline and R-Line models.

02

¹ When the large navigation map is displayed on the full Active Info Display in conjunction with the optional 'Discover Media' Navigation system the navigation map cannot be displayed on the central 8.0 inch colour touchscreen.

Infotainment

Intuitive colour touchscreen displays and state-of-the-art technology ensure radio and navigation systems, are not only easy to operate, but provide all the journey information you need and recognise many external multimedia devices you may wish to connect.

01 Composition Colour system. The 'Composition Colour' system is equipped with a 6.5 inch colour touchscreen display. The system features an SD card reader, music playback from MP3, WMA and AAC files and eight speakers front and rear with 4 x 20 watt output. Standard on Trendline models.

02 Composition Media radio system. The 'Composition Media' system is equipped with an impressive glass covered 8.0 inch colour touchscreen with a proximity sensor that recognises in advance your intention to touch the screen and automatically magnifies the display mode. Features also include USB connection for compatible products and SD card reader. The media system also includes Bluetooth telephone and audio connection for compatible devices¹, simultaneous pairing of two compatible mobile devices, SMS functionality – allowing you to read, compose and send SMS messages using the touchscreen display to a compatible Android smartphone (while the vehicle is stationary), title and compatible cover art display and facilitates music playback from MP3, WMA and AAC files through eight speakers, front and rear. Standard on Comfortline and optional on Trendline models.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific device compatibility.

03 Discover Media navigation system. The 'Discover Media' navigation system adds navigational functionality to the 'Composition Media' system, providing points of interest, preloaded European navigation data, Speed Limit Display² and three routes (Fast, Short and Eco), and 2D/3D map view. It comes with 3-years We Connect 'Guide and Inform'³, providing online access to such information as the nearest filling station, parking space availability, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. Optional on Comfortline models. Standard on Highline and R-Line models.

04 Discover Pro navigation radio system. The 'Discover Pro' touchscreen navigation radio system features a glass-covered 9.2 inch colour touchscreen for navigation and radio functions. It responds to spoken voice commands for navigation and telephone functions. Building on the 'Composition Media' specification, it is equipped with a 30 GB SSD hard drive, preloaded European navigation data, 3D map view, three calculated routes (Fast, Short and Eco), points of interest, Speed Limit Display², photo display from JPEG and PNG files and two SD card readers. It comes with 3-years We Connect 'Guide and Inform Plus'³, providing online access to such information as fuel pricing, parking space availability, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. Optional on Highline and R-Line models.

² Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
³ Car-Net 'Guide and Inform' services are accessed via a compatible mobile device. Please see www.volkswagen.ie for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.

Connectivity

01 We Connect 'Security & Service'¹. 'Security & Service' features functions that will make your journey even safer. The We Connect Service package offers you mobile access to important vehicle functions and combines security with transparency for even more comfort. A reassuring feature of 'Security & Service' is the Emergency Call Service. In emergency situations, your vehicle calls for help automatically or you can press a button to do so. If your Volkswagen detects an accident, the Service connects to the Volkswagen Emergency Call Centre and passes on key information. The Emergency call Centre will deploy the emergency services if required.

We Connect 'Security & Service' is optional on Comfortline, standard on Highline and R-Line models. The image shown features optional 'Discover Pro' navigation. Please contact your authorised Volkswagen dealer for full details.

02 We Connect 'Guide and Inform'¹. With We Connect 'Guide and Inform', your Tiguan becomes a mobile network using your smartphone's WIFI hotspot. You can access up-to-the-minute information directly from the internet, enabling you to benefit from continually updated information while you travel, such as the nearest filling station, parking space availability, weather and news feeds. We Connect 'Guide and Inform' includes 3-year's online navigation software updates enabling you to download the latest map data to keep you up-to-date. Another useful feature is 'Destination Input' that allows you to send locations to your navigation system, where they will be displayed on the colour touchscreen ready for your journey ahead. We Connect 'Guide and Inform' is optional on Comfortline, standard on Highline and R-Line models. Image shown features optional 'Discover Pro' navigation. Please contact your authorised Volkswagen retailer for full details.

03 App-Connect². 'App-Connect' allows your Tiguan to connect with current Apple and Android smartphones through three innovative technologies: Apple 'CarPlay', Google 'Android Auto' and 'MirrorLink'TM. This enables you to 'mirror' your smartphone's most important functions, such as phone contacts, receiving and sending texts, news and music on the touchscreen of your infotainment system, and if you choose, you can even operate the system by voice control, allowing you to manage them simply and safely during your journey. Please note, there is usage of only certified apps while driving. Standard on Comfortline, Highline and R-Line models. Image shown features optional 'Discover Pro' navigation.

¹ To use We Connect services, the customer needs a Volkswagen ID user account, and must log into We Connect with their username and password. In addition, a separate We Connect or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, the customer has 90 days from the handover of the vehicle to register the vehicle, and use the services for the full duration of the agreed free period.

² Only operable in conjunction with compatible smartphones. Please see www.volkswagen.ie to check smartphone compatibility.

Interior shown is Tiguan Highline with optional 'Discover Pro' navigation and optional heated steering wheel.

As versatile as life demands it to be

01 Rear seats. From front to rear, everything in the Tiguan is designed to meet your needs. The rear seats split 40:20:40 and each side can be moved lengthways, giving you various loading options. When all but the driver's seat are folded down, there's an impressive loading capacity of up to 1,655 litres. The load area is continuously level and can be lowered or removed totally for maximum boot space, thanks to the variable boot floor. Please contact your authorised Volkswagen dealer for full details.

Business, pleasure, family or adventure, whatever your reason for travelling and whatever you need to load up, whether it's shopping, kids, leisure equipment or otherwise, your Tiguan is well prepared. The flexible interior can be adapted to meet your personal requirements, such as extending the boot space with the variable boot floor, which along with the lower load sill, helps make loading and unloading bulky objects easier, while the optional keyless entry/keyless start as part of the 'Easy Open' package¹, also allows you to open the electrically-operated tailgate from the driver's door.

¹ Optional on Comfortline, Highline and R-Line models.

Model shown is the Tiguan R-Line with optional "Vienna" leather upholstery with R-Line logo in Titan Black.

Intelligent driving begins here

Impressively equipped with intelligent technology and advanced driver assistance systems, the Tiguan provides a confident, reassuring driving experience for added peace of mind.

01 ParkPilot. ParkPilot with front and rear parking sensors assist parking manoeuvres by emitting both audible and visual signals, alerting the driver to any obstacles in the way. The closer you are to an obstacle the faster the sound frequency, while an optical parking display indicates your position in relation to obstacles on the screen of the vehicle's audio system. Standard on Comfortline, Highline and R-Line models. Image shown is Tiguan Highline 4MOTION with optional 'Tungsten Silver' metallic paint.

02 Rear view camera. The rear-view camera is integrated behind the Volkswagen badge on the rear tailgate. It displays the area behind your vehicle on the screen of the vehicle's audio system, helping you to manoeuvre into tight spaces quickly and easily. Auxiliary lines help you navigate safely into parking spaces, and thanks to the high resolution display, even small obstacles such as kerbs are visible. Optional on Comfortline. Standard on Highline and R-Line.

Driver assistance systems

From its elevated driving position to the latest active and passive intelligent safety features, the Tiguan offers reassuring levels of protection for both you and your passengers.

01 Lane Assist with Side Assist. 'Lane Assist' with 'Side Assist' helps you change lanes confidently. A radar sensor controlled system warns you via lights in the door mirror housing if it detects road users in your blind spot and a camera controlled warning system alerts you if your car drifts out of its chosen lane'. 'Lane Assist' is standard on all trims and 'Side Assist' is optional on Highline and R-Line models.

¹ Operates within the limits of the system.

02 Front Assist. The 'Front Assist' monitoring system combines Pedestrian Detection with City Emergency Braking, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle jolt of the brakes¹. The system even performs an emergency stop should the distance become critical, helping to protect other road users and avert potential accidents. Standard on all models.

03 High Beam Assist. 'High Beam Assist' ingeniously senses the lights from oncoming vehicles and automatically switches between dipped and main beam accordingly. It also senses vehicles you are approaching from the rear and ensures your main beam is dipped in order to avoid dazzling the vehicle in front. Standard on Comfortline, Highline and R-Line models.

04 Adaptive Cruise Control (ACC). Adaptive Cruise Control including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely.

² Some parts of leather interior will contain artificial leather.
³ Optional on R-Line Models. Only available in conjunction with R-Line interior and exterior styling pack.

Discover the World of Volkswagen

Engines

For a full overview of engine availability, please download the Tiguan product guide at volkswagen.ie

Fuel Consumption

Fuel Consumption l/100km (max. - min): 7.6 - 5.5. CO₂ emissions g/km (max. - min.) 189 - 142. Increased weight of a vehicle, including higher trim levels and the addition of options may have an effect on the fuel consumption and CO₂ emissions produced. The CO₂ and fuel consumption figures are the official figures obtained from tests under standardised EU test conditions.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO₂ emissions. Information correct at the time of print. WLTP replaces the previous NEDC test method. The WLTP Min. values refer to the minimum values of the standard entry version excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. The WLTP Max. values refers to the maximum value achieved considering optional extras. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp

The Volkswagen Warranty

Three-year manufacturer's warranty*

All Volkswagen Tiguan models come with a three-year warranty which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. Your vehicle should be serviced in accordance with the manufacturer's specifications. Any damage to or defect in the vehicle caused by poor or insufficient servicing will not be remedied under the vehicle's warranty. Full details of the three-year warranty are available from your authorised Volkswagen retailer or at Volkswagen.ie

* The first two years have an unlimited mileage warranty. The third year warranty has a limitation of 90,000km.

Three-year Paint Warranty

The paintwork of the Tiguan is covered against manufacturing defects for a period of three years. Naturally, the Tiguan must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your Volkswagen retailer for full warranty details.

12-year Body Protection Warranty

The internal body sections and panels of the Tiguan are covered against rusting through from the inside for 12 years. Naturally, the Tiguan must be cared for in compliance with the operating instructions. Please consult your Volkswagen retailer for full warranty details.

Service Intervals for Engines

Full details of what checks and work are recommended at each service are contained in the Service Book and your retailer will be able to advise you of any particular requirements.

Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list.

Volkswagen Finance

Volkswagen Finance offers a dedicated service to meet the needs of both the business user and the private motorist. We can help you choose the right type of finance and will tailor the package to meet your specific requirements. Please consult your Volkswagen retailer for details.

Volkswagen Assistance

Every new car is registered for Volkswagen Assistance for three years. This provides vehicle recovery in the unlikely event of a breakdown (subject to conditions).

Please Note:

Every effort has been made to ensure that the contents of this publication (including CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going to press January 2020. Please be aware that model year and other changes (including specification or individual

options) may impact on fuel consumption or CO₂ figures. Please check with your retailer regarding any queries on a specific model or chassis number. Volkswagen Ireland reserves the right to change specifications and withdraw products from sale without notice. Any such alterations will be notified to Volkswagen retailers at the earliest opportunity; please consult your local Volkswagen retailer for the latest product information.

Some illustrations in this brochure do not necessarily reflect Irish specifications. Consequently, controls and some items of equipment are positioned differently for Ireland.

The specifications contained in this brochure are for information purposes only as we cannot confirm the exact specifications of the vehicles. If you require any specific feature, you must consult your Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your Volkswagen retailer prior to ordering.
