ROTR Price = Recommended On the Road Price.

\* M = Manual / D = DSG. 5/6/7 = No. of Speeds. F = Front wheel drive.

\*\* All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO<sub>2</sub> emissions and are correct at the time of print. WLTP replaces the previous NEDC test method. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO<sub>2</sub> emissions produced. To discover exact values please configure your desired vehicle at [volkswagen.ie/build](http://volkswagen.ie/build). You can discover more about the WLTP at [volkswagen.ie/wltp](http://volkswagen.ie/wltp).

<sup>1</sup>VRT Bands and rate of Annual Road tax are valid as of 1st January 2020 and calculated from the correlated NEDC figure derived from WLTP for cars produced from CW48/2019 onwards.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO<sub>2</sub>, fuel consumption and technical information) were accurate and up-to-date at the time of going print 3rd February 2020. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

# Standard Equipment:

## Touareg

Interior Equipment
Leather wrapped multifunction steering wheel with Tiptronic
Decorative inserts in 'Cortina Silver Matte'
Heated front seats
Carpet mats in front and rear
Black decorative trims
Seat trim covers in 'Graphite'
Fabric door and side trim panel
Illuminated vanity mirrors in sun visors
Centre armrest in front
Centre console painted in black matte
Assymetrical split folding rear bench seat and backrest, longitudinally sliding with backrest tilt and adjust and centre armrest
Luggage compartment cover
Plastic loading edge protection
Height and longitudinally adjustable steering column
Front seats with height adjustment
Plastic scuff plates in door apertures

Exterior Equipment
19" 'Osorno' alloy wheels
LED headlamps for low beam and high beam with speareate daytime running lights
Automatic headlight control with LED daytime running light and Coming and Leaving Home feature
LED rear combination lamp
Folding, power adjustable and heated exterior mirrors
Silver anodised roof rails with black base
Headlamp washer system
Heat insulating glass windshield
Rear fog lamp

Functional Equipment
9.2" navigation system 'Discover Pro'
Premium telephone system with storage compartment with mobile phone interface in front and wireless charging
App Connect with Apple Car Play and Android Auto
eSim- Allows the Touareg's to always stay online and use CarNet Guide & Inform
Adaptive cruise control 'Stop & Go' incl. speed limiter
Air care climatronic with 2 zone climate control
Multifunction display/trip computer 'Top'
Rear view camera
Electromechanical parking brake with auto hold and hill climb assist
Instrument cluster with electronic speedometer, odometer & trip odometer and tachometer
Forward collision warning 'Front Assist'
Park Assist with Park Distance Control
High beam control 'Light Assist'

Functional Equipment (continued)
Start/stop system with generative braking
Driving Profile Selection
Lane keeping system
Central locking system 'Keyless Go' without SAFELOCK
Starter switch locking system
Dynamic road sign display
Diversity antenna for AM/FM reception
8 speakers
Driver alert system
Acoustics package 'Extra'- exterior noise suppression
Automatically heated washer nozzles in front
Electric interface for external use, 3 additional USB jacks
Fresh air intake system with combination filter
Dynamic headlight range control
Remote unlocking for luggage compartment
Two tone horn
Car-Net Security and Service
Tyre Mobility Kit

Safety Equipment
Driver and front passenger airbag with front passenger deactivation
Curtain airbag system in front and rear
Anti-theft alarm system with interior monitoring, backup horn and towing protection
Emergency call service and roadside assistance call
Visual and acoustic seat belt reminder, electric contact in front and rear
Tool kit
Extended pedestrian protection measures
Safety optimised front head restraints
3 point seat belts in front with height adjustment and seat belt pretensioner
Automatic slip control differential lock
First aid bag and warning triangle
ISOFIX anchorage points for mounting 2 child seats on rear seats
Tyre pressure monitoring system

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Effective from 03 February 2020, for MY2020. All prices include VAT and VRT. These prices are subject to change once technical data comes available.

## Standard Equipment:

### Touareg Business (in addition to Touareg)

#### Interior Equipment

**Seat trim covers in 'Vienna' leather**

Comfort seats in front

Mechanical rear seat release

Leatherette door and side trim panel

Centre armrest in rear with beverage holder

Manually adjustable lumbar support

**Heated steering wheel**

Lumbar support

#### Exterior Equipment

**20" 'Montero' alloy wheels in 'Glam Silver'**

Wheel locks with extended anti-theft protection

#### Functional Equipment

**'Easy Open Package'- Electric powered luggage compartment opener and electric closing with remote unlocking**

Power latching for tailgate/boot lid

Powered luggage compartment cover

**Keyless access**

Keyless locking and starting system with SAFELOCK

*The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice*

# Standard Equipment:

## Touareg Design (in addition to Touareg)

### Interior Equipment

'Elegance' Style Package
Seat trim covers in 'Vienna' leather
Decorative aluminium inserts
Interior ambient lighting
Centre armrest in rear with beverage holder
Leatherette door and side trim panels
Comfort seats in front
Double illuminated vanity mirrors in sun visors
Mechanical rear seat release
Bright decorative trims
Scuff plates in door apertures with metal inserts
Powered luggage compartment cover
Stainless steel loading edge protection
4-way pneumatically adjustable lumbar support

### Exterior Equipment

20" 'Montero' alloy wheels in 'Glam Silver'
Wheel locks with extended anti-theft protection
I.Q. LED headlamps for low beam and high beam with LED separate daytime running light and dynamic cornering light
LED rear combination lamps, with dynamic turn signal
Folding and adjustable exterior mirrors, heated with memory feature and auto dimming
Painted exterior mirror housings
Separate daytime running lights with automatic headlight control and 'Leaving Home' & 'Coming Home' feature
Stainless steel loading edge protection
'Chrome & Style' comfort bumpers
'Design' rear exhaust tailpipe
Chrome-plated decorative trims on the side windows
Tinted rear windows

### Functional Equipment

Premium memory package
'Easy Open'- Sensor controlled luggage compartment opener and delayed electric closing with remote unlocking
'Light and Sight' package
Keyless access with SAFELOCK
Power seat adjustment for both front and rear seats
Power latching for tailgate/trunk lid

### Safety Equipment

Extended pedestrian protection measures incl. reactive hood
Safety steering column with electric axial and tilt adjustment

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice

Note: Images above include optional innovation cockpit

# Touareg R-Line

## R-Line Exterior

- R-Line bumpers, front and rear in R-styling
- Radiator grille with R-Line badge
- R-Line speed stripes on sides
- Sill panel trim with R-Line badge
- Wheel well extensions in body colour
- Design tail pipe trims, trapezoidal

## Black Pack

- R-Line Exterior with 'Black Pack'
- Black Wing Mirror Housing
- Glossy Black Radiator Grille
- Black air intakes with fins
- Black decorative trim on side windows

*Note: Requires black roof rails, 355*

## R-Line Interior

# Innovision Cockpit

The 'Innovision Cockpit' is celebrating its world premiere in the third generation Touareg.

The majority of its buttons are integrated into the 15-inch (1,920 x 1,020 pixels) screen within the central column of the 'Discover Premium' infotainment system, which is curved towards the driver.

The driver can personalise the layout of the 12.0-inch display from the home screen or the multifunction steering wheel. Drivers can also vary the layouts and the type and number of displays according to their personal tastes. Those who like a minimalist layout, for example, can limit the display to the navigation system or digital

It is also possible to integrate various system displays into the Digital Cockpit as listed:

- Front Assist (area monitoring system)
- Night Vision (night-time driving assistance)
- Driver Alert System & Active Cruise Control
- Dynamic Road Sign Display
- Tyre monitoring system
- Navigation functionality with Destination arrival information
- Off-road display (including banking angle)
- Gear indicator & Driving speed (always visible)
- Fuel consumption & Fuel range
- Distance covered & Acceleration
- Elevation (topographic)
- Audio functions

# Driver Assistance Systems

## Traffic Jam Assist

This fusion of very different systems enables drivers to take their hands off the steering wheel for a limited time when Traffic Jam Assist including Roadwork Lane Assist automatically assumes longitudinal and lateral guidance (braking, accelerating, steering).

Avoid typical accidents in slow-moving traffic.\* The system can keep the vehicle in lane and automatically operate the accelerator and brake.\*

## Pre Crash 360°

The proactive occupant protection system detects a potential accident situation.

When detected, the seat belts of the driver and front passenger are automatically pre-tensioned and the electric seat functions are preset to ensure the best possible protection by the airbag and belt system.

If a highly critical and unstable driving situation is detected, the side windows are closed as is the panoramic sliding roof.

## Front Cross Traffic Assist

The new Front Cross Traffic Assist in the Touareg now also warns\* of vehicles approaching the front of the car from the sides at intersections, driveways and parking spaces.

For this purpose, two radar sensors are integrated in the front bumper, which sense at a 55 degree angle to the vehicle's longitudinal axis to monitor side traffic. Here too, the system intervenes with emergency braking actions\*.

\*Within the Limits of the System

# Infotainment Systems

## Wireless Charging

The equipment consists of a storage compartment capable of inductively charging an appropriate smartphone with the Qi Standard, i.e. wirelessly.

Any calls started outside the car can also be transferred by Bluetooth to the hands-free system. The system can be operated by voice command, using the multifunction steering wheel or Infotainment system. Very simple – and precisely how you want it.

## DYNAUDIO

The system utilises a Dolby 7.1 amplifier with a power output of 730 watts to drive a total of fourteen loudspeakers: four tweeters in the A-pillars and the front door shoulders (each 65 mm in diameter), two mid-range speakers in the front doors (each 100 mm) and four mid-range speakers in the rear doors (each 200 mm), two effect loudspeakers in the D-pillars (each 100 mm), a centre speaker in the dash panel and a subwoofer under the luggage compartment floor. Create the greatest soundtrack for your driving experience.

## Discover Premium

The centrepiece of the Innovision Cockpit is the top 'Discover Premium' infotainment system, which serves simultaneously as a radio-navigation system, telephone, information centre and user interface for configuring various vehicle functions.

The 'MIB2+ High'-based Discover Premium offered in the Touareg provides features that include the following innovations:

- Connected navigation
- 'Nav-Gen4 routing'
- Self-learning navigation system
- Hybrid radio
- Mobile online services
- Home screen personalisation

# Driving Experience

## Off Road Package

Additional driving modes for the Touareg are available in conjunction with the optional Offroad package.

Along with the additional driving modes, it includes such features as two towing eyes, a larger fuel tank whose capacity is increased from 75 to 90 litres and an underbody protection system with a radiator guard, reinforced underbody protection, a guard element for the 12-volt battery, very rugged aerodynamic fairing, tank guard and stone impact protection.

## Advanced 4-Corner

## Air Suspension

The new, open air suspension system works both quickly and silently; it is not affected by fluctuations in temperature or outside air pressure.

Active roll compensation with electro-mechanically adjustable anti-roll bars is a completely new feature. These active anti-roll bars significantly reduce the Touareg's side lean when cornering.

On roads that are uneven on one side, directional stability also improves considerably. When driving off-road, meanwhile, the electromechanical decoupling of the anti roll bars enables improved articulation of the axles which, in turn, improves traction.

\*Within the Limits of the System

Effective from 03 February 2020, for MY2020. All prices include VAT and VRT. These prices are subject to change once technical data comes available.

# Alloy Wheels

## STANDARD ON TOUAREG

19" 'Osorno' alloy wheels  
8J x 19 Tyres: 255/55 R19

## STANDARD ON TOUAREG BUSINESS & DESIGN

### OPTIONAL ON TOUAREG

20" 'Montero' alloy wheels in 'Glam Silver'  
9J x 20 Tyres: 285/45 R20

### OPTIONAL ON ALL MODELS

20" 'Nevada' alloy wheels,  
in 'Black' with diamond turned surface  
9J x 20 Tyres: 285/45 R20

### OPTIONAL ON ALL MODELS

20" 'Braga' alloy wheels,  
in 'Black' with diamond turned surface  
9J x 20 Tyres: 285/45 R20

### OPTIONAL ON DESIGN

21" 'Suzuka' alloy wheels  
9.5J x 21 Tyres: 285/40 R21

### OPTIONAL ON DESIGN

21" 'Suzuka' alloy wheels  
9.5J x 21 Tyres: 285/40 R21

# Technical Data

Engine	3.0TDI 231HP	3.0TDI 286HP
Gearbox type	8 speed auto DSG	8 speed auto DSG
Engine type	V6	V6
Fuel tank capacity, ltrs	75	75
Cubic capacity, ltrs/cc	3.0/2967	3.0/2967
Max. output, HP/kW	231/170	286/210
Max. torque, Nm	500	600
<b>Performance</b>		
Top speed, km/h, where the law permits:	218	235
Acceleration, secs 0 – 100km/h:	7.5	6.1
<b>Environmental information</b>		
<b>Official fuel consumption ltr per 100km</b>		
<b>WLTP: (Min-Max)</b>		
Low speed consumption	10.4-11.2	10.9-11.5
Medium high speed consumption	7.9-8.7	8.2-8.6
High speed consumption	7.0-7.4	7.0-7.4
Extra high speed consumption	8.4-8.8	8.4-8.8
Combined speed consumption	8.1-8.7	8.2-8.7
<b>WLTP Emissions Combined, CO<sub>2</sub> g/km:</b>		
Emission class	EURO 6	EURO 6

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO<sub>2</sub> emissions and are correct at the time of print. WLTP replaces the previous NEDC test method. The WLTP Min. value refers to the minimum values of the standard entry version excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO<sub>2</sub> emissions produced. The WLTP Max. value refers to the maximum value achieved considering optional extras. To discover exact values please configure your desired vehicle at please visit [volkswagen.ie/build](https://www.volkswagen.ie/build). You can discover more about the WLTP at [volkswagen.ie/wltp](https://www.volkswagen.ie/wltp).

Please note every effort has been made to ensure the contents of this publication (including RRP, CO<sub>2</sub>, fuel consumption and technical information) were accurate and up-to-date at the time of going print 3rd February 2020. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.
