ROTR Price = Recommended On the Road Price.

* Automatic 8-speed.

** All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO₂ emissions and are correct at the time of print. WLTP replaces the previous NEDC test method. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

¹VRT Bands and rate of Annual Road tax are valid as of 1st January 2020 and calculated from the correlated NEDC figure derived from WLTP for model year 2021 cars produced from CW30/2020 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going to print 1st September 2020. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

Touareg

Interior Equipment

- » Leather wrapped multifunction steering wheel touch
- » Decorative inserts in 'Cortina Silver'
- » Heated front seats
- » Carpet mats in front and rear
- » Black decorative trims
- » Black Headliner
- » Seat trim covers in 'Graphite'
- » Fabric door and side trim panel
- » Illuminated vanity mirrors in sun visors
- » Centre armrest in front and rear
- » Centre console painted in black matte/silver appearance
- » Assymetrical split folding rear bench seat and backrest, longitudinally sliding with backrest tilt and adjust
- » Lumbar support in front
- » Luggage compartment cover
- » Plastic loading edge protection
- » Height and longitudinally adjustable steering column
- » Power steering system
- » Front seats with height adjustment
- » Plastic scuff plates in door apertures

Exterior Equipment

- » 19" 'Esperience' alloy wheels with wheel locks and extended anti-theft protection
- » LED headlamps for low beam and high beam with separate daytime running lights
- » Automatic headlight control with LED daytime running light and Coming and Leaving Home feature
- » LED rear combination lamp
- » Folding, power adjustable and heated exterior mirrors with front passenger exterior mirror lowering function
- » Silver anodised roof rails
- » Headlamp washer system
- » Heat insulating glass windshield
- » Poor weather light
- » Rear fog lamp
- » Heated insulated glass

Functional Equipment

- » 9.2" navigation system 'Discover Pro' with 8 speaker sound system and online services
- » DAB Radio
- » Premium telephone system with storage compartment with mobile phone interface in front and wireless charging
- » App Connect with Apple Car Play and Android Auto and Volkswagen Media control
- » eSim- Allows the Touareg's to always stay online and use CarNet Guide & Inform
- » Adaptive cruise control 'Stop & Go' incl. speed limiter
- » Air care climatronic with 2 zone automatic climate control with combined activated carbon filter
- » Multifunction display premium
- » Driver profile select
- » Rear view camera
- » Multifunction camera
- » Electromechanical parking brake with auto hold and hill climb assist
- » Instrument cluster with electronic speedometer, odometer & trip odometer and tachometer
- » Forward collision warning 'Front Assist' Autonomous emergency braking
- » Park Assist with Park Distance Control
- » High beam control 'Light Assist'
- » Start/stop system with generative braking
- » Driving Profile Selection
- » Lane keeping system 'Lane Assist'
- » Central locking system 'Keyless Go' without SAFELOCK
- » Starter switch locking system
- » Dynamic road sign display
- » Diversity antenna for AM/FM reception
- » Driver alert system
- » Acoustics package 'Extra'- exterior noise suppression
- » Automatically heated washer nozzles in front

- » USB C interface and USB charging socket
- » Fresh air intake system with combination filter
- » Dynamic headlight range control
- » Remote unlocking for luggage compartment
- » Two tone horn
- » Car-Net Security and Service
- » Tyre Mobility Kit

Safety Equipment

- » Driver and front passenger airbag with front passenger deactivation
- » Curtain airbag system front and rear including side airbags and belt tensioners
- » Anti-theft alarm system with interior monitoring, backup horn and towing protection
- » Emergency call service and roadside assistance call
- » Visual and acoustic seat belt reminder, electric contact in front and rear
- » Tool kit
- » Extended pedestrian protection measures
- » Safety optimised front head restraints
- » 3 point seat belts in front with height adjustment and seat belt pretensioner for outer rear seats
- » Automatic slip control differential lock
- » First aid bag and warning triangle
- » ISOFIX anchorage points for mounting 2 child seats on rear seats
- » Tyre pressure monitoring system

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Touareg Elegance (in addition to Touareg)

Interior Equipment

- » Leather wrapped multifunction steering wheel with Tiptronic
- » 'Elegance' Style pack
- » Seat trim covers in 'Vienna' leather
- » Decorative inserts in 'Brushed Aluminium' for dashboard and door panels
- » Comfort seats in front
- » Mechanical rear seat release
- » Leatherette door and side trim panel
- » Power seats in front, driver side memory feature and seat cushion depth adjustment
- » Centre armrest in rear with beverage holder
- » Stainless steel loading edge protection
- » Chrome tailpipe on left and right integrated in rear bumper
- » Chrome trims on lower parts and air intakes
- » Centre console in glossy black/ silver appearance
- » ergoComfort seats
- » Manually adjustable lumbar support
- » Heated steering wheel
- » Tilting & Sliding Panoramic Sunroof
- » Mood lighting
- » Scuff plates in stainless steel
- » Remote unlocking for rear backrest

Exterior Equipment

- » 20" 'Montero' alloy wheels in 'Glam Silver'
- » Wheel locks with extended anti-theft protection
- » Tinted rear windows

Functional Equipment

- » 'Easy Open Package'- Electric powered luggage compartment opener and electric closing with remote unlocking
- » Innovision Cocokpit 15" display 'Discover Premium' navigation system
- » Multi-colour digital cockpit
- » Air care climatronic with 4 zone automatic climate control
- » Mobile phone interface with inductive charging
- » Power latching for tailgate/boot lid
- » Powered luggage compartment cover
- » Keyless access
- » Keyless locking and starting system with SAFELOCK

PHEV Elegance Equipment

- » Charging cable, mode 2, type 2
- » Charging cable 16A
- » 19" 'Tirano' alloy wheels

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Effective from 01 September 2020, for MY2021. All prices include VAT and VRT. These prices are subject to change once technical data comes available.

Touareg R-Line (in addition to Elegance)

Interior Equipment

- » 'R-Line' Style Package
- » Leather wrapped multifunction sports steering wheel, heated with shift paddles and tiptronic
- » R-Line bumpers, front and rear in R-styling
- » Radiator grille with R-Line badge
- » R-Line speed stripes on sides
- » Sill panel trim with R-Line badge
- » Wheel well extensions in body colour
- » Seat trim covers in 'Vienna' leather
- » Decorative inserts 'Silver Wave' dashboard and door trim panels
- » Centre armrest in rear with beverage holder
- » Leather Package 'Savona' with ergocomfort seats R-Line
- » Leatherette door and side trim panels
- » Comfort seats in front
- » Double illuminated vanity mirrors in sun visors
- » Black Headliner
- » Mechanical rear seat release
- » Bright decorative trims
- » Scuff plates in stainless steel illuminated with 'R-Line' logo in front
- » Pedals in brushed stainless steel
- » Powered luggage compartment cover
- » Stainless steel loading edge protection
- » 4-way pneumatically adjustable lumbar support

Exterior Equipment

- » 20" 'Braga' Volkswagen R alloy wheels in 'Dark Graphite' with diamond-turned surface
- » Wheel locks with extended anti-theft protection
- » R-Line specific, heated leather multifunction steering wheel with R-Line logo and shift paddles
- » Interior ambient lighting
- » Door sill trims with R-Line logo
- » Bright decorative trims
- » Sports pedals in stainless steel incl. footrest
- » R-Line specific aluminum inserts
- » Black roof rails
- » LED rear combination lamps, with dynamic turn signal
- » Painted exterior mirror housings
- » Stainless steel loading edge protection
- » 'Chrome & Style' comfort bumpers
- » 'Design' rear exhaust tailpipe
- » Chrome-plated decorative trims on the side windows

Functional Equipment

- » Premium memory package
- » 'Light and Sight' package
- » Power seat adjustment for both front and rear seats
- » Power latching for tailgate/trunk lid

Safety Equipment

- » Extended pedestrian protection measures incl. reactive hood
- » Safety steering column with electric axial and tilt adjustment

Note: The below photo shows 'R-Line' interior with 'Vienna' leather R-Line styling

Note: Images below include optional innovation cockpit

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Effective from 01 September 2020, for MY2021. All prices include VAT and VRT. These prices are subject to change once technical data comes available.

Touareg R (PHEV)

Interior Equipment

- » 'R' Model Style Package
- » Leather package "Puglia" for R with ergoComfort
- » Hybrid Propulsion system
- » Scuff plates in door apertures illuminated R-Model specific

Exterior Equipment

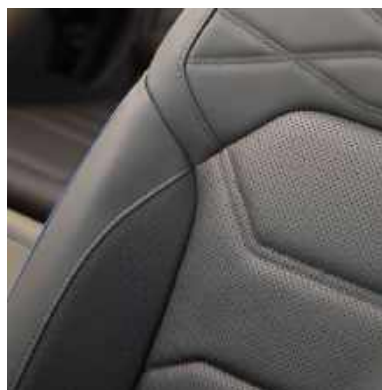

- » 20" 'Braga' alloy wheels in Black/Diamond Turned with wheel locks and extended anti-theft protection
- » Upgraded 'R' disc brakes 19" in front and 18" in rear

Functional Equipment

- » Charging cable, Type 2
- » Charging cable, 16A

Safety Equipment

- » Automatic slip differential (torsen differential)

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Effective from 01 September 2020, for MY2021. All prices include VAT and VRT. These prices are subject to change once technical data comes available.

Innovision Cockpit

The 'Innovision Cockpit' is celebrating its world premiere in the third generation Touareg.

The majority of its buttons are integrated into the 15-inch (1,920 x 1,020 pixels) screen within the central column of the 'Discover Premium' infotainment system, which is curved towards the driver.

The driver can personalise the layout of the 12.0-inch display from the home screen or the multifunction steering wheel. Drivers can also vary the layouts and the type and number of displays according to their personal tastes. Those who like a minimalist layout, for example, can limit the display to the navigation system or digital.

It is also possible to integrate various system displays into the Digital Cockpit as listed on the right:

- » Front Assist (area monitoring system)
- » Driver Alert System & Active Cruise Control
- » Dynamic Road Sign Display
- » Tyre monitoring system
- » Navigation functionality with Destination arrival information
- » Off-road display (including banking angle)
- » Gear indicator & Driving speed (always visible)
- » Fuel consumption & Fuel range
- » Distance covered & Acceleration
- » Elevation (topographic)
- » Audio functions

Driver Assistance Systems

Traffic Jam Assist

This fusion of very different systems enables drivers to take their hands off the steering wheel for a limited time when Traffic Jam Assist including Roadwork Lane Assist automatically assumes longitudinal and lateral guidance (braking, accelerating, steering).

Avoid typical accidents in slow-moving traffic.*

The system can keep the vehicle in lane and automatically operate the accelerator and brake.*

Pre Crash 360°

The proactive occupant protection system detects a potential accident situation.

When detected, the seat belts of the driver and front passenger are automatically pre-tensioned and the electric seat functions are preset to ensure the best possible protection by the airbag and belt system.

If a highly critical and unstable driving situation is detected, the side windows are closed as is the panoramic sliding roof.

Front Cross Traffic Assist

The new Front Cross Traffic Assist in the Touareg now also warns* of vehicles approaching the front of the car from the sides at intersections, driveways and parking spaces.

For this purpose, two radar sensors are integrated in the front bumper, which sense at a 55 degree angle to the vehicle's longitudinal axis to monitor side traffic. Here too, the system intervenes with emergency braking actions*.

*Within the Limits of the System

Infotainment Systems

Wireless Charging

The equipment consists of a storage compartment capable of inductively charging an appropriate smartphone with the Qi Standard, i.e. wirelessly.

Any calls started outside the car can also be transferred by Bluetooth to the hands-free system. The system can be operated by voice command, using the multifunction steering wheel or Infotainment system. Very simple – and precisely how you want it.

DYNAUDIO

The system utilises a Dolby 7.1 amplifier with a power output of 730 watts to drive a total of fourteen loudspeakers: four tweeters in the A-pillars and the front door shoulders (each 65 mm in diameter), two mid-range speakers in the front doors (each 100 mm) and four mid-range speakers in the rear doors (each 200 mm), two effect loudspeakers in the D-pillars (each 100 mm), a centre speaker in the dash panel and a subwoofer under the luggage compartment floor. Create the greatest soundtrack for your driving experience.

Discover Premium

The centrepiece of the Innovision Cockpit is the top 'Discover Premium' infotainment system, which serves simultaneously as a radio-navigation system, telephone, information centre and user interface for configuring various vehicle functions.

The 'MIB2+ High'-based Discover Premium offered in the Touareg provides features that include the following innovations:

- » Connected navigation
- » 'Nav-Gen4 routing'
- » Self-learning navigation system
- » Hybrid radio
- » Mobile online services
- » Home screen personalisation

Driving Experience

Off Road Package

Additional driving modes for the Touareg are available in conjunction with the optional Offroad package.

Along with the additional driving modes, it includes such features as two towing eyes, a larger fuel tank whose capacity is increased from 75 to 90 litres and an underbody protection system with a radiator guard, reinforced underbody protection, a guard element for the 12-volt battery, very rugged aerodynamic fairing, tank guard and stone impact protection.

Advanced 4-Corner Air Suspension

The new, open air suspension system works both quickly and silently; it is not affected by fluctuations in temperature or outside air pressure.

Active roll compensation with electro-mechanically adjustable anti-roll bars is a completely new feature. These active anti-roll bars significantly reduce the Touareg's side lean when cornering.

On roads that are uneven on one side, directional stability also improves considerably. When driving offroad, meanwhile, the electromechanical decoupling of the anti roll bars enables improved articulation of the axles which, in turn, improves traction.

Combined speed consumption	TBC	TBC	TBC	TBC
WLTP Emissions Combined, CO ₂ g/km:	TBC	TBC	TBC	TBC
Emission class	EURO 6	EURO 6	EURO 6	EURO 6

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO₂ emissions and are correct at the time of print. WLTP replaces the previous NEDC test method. The WLTP Min. value refers to the minimum values of the standard entry version excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. The WLTP Max. value refers to the maximum value achieved considering optional extras. To discover exact values please configure your desired vehicle at please visit volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

¹VRT Bands and rate of Annual Road tax are valid as of 1st January 2020 and calculated from the correlated NEDC figure derived from WLTP for model year 2021 cars produced from CW30/2020 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 1st September 2020. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.
