Note: ID.4 1st Editions include Metallic paint pricing in the final RRP and thus, the ROTR price.

ROTR Price = Recommended On the Road Price.

¹Private Customer state subsidies comprise of VRT relief and SEAI (Sustainable Energy Authority of Ireland) grant, Business/Commercial Buyers state subsidies comprise of VRT relief, all of which are subject to approval.

²All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland and are inclusive of VAT.

³The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (kWh/100km) and CO₂ emissions and are correct at the time of print. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and CO₂ emissions produced. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

⁴VRT Bands and rate of annual Road Tax are valid as of 1st January 2021 and calculated from the base model WLTP values for model year 2021 cars produced from CW48/2020 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 7th April 2021. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

- » Massage functionality

Exterior Equipment

- » 19" 'Hamar' alloy wheels with AirStop tyres, wheel locks and extended anti-theft protection
- » Folding exterior mirrors, power adjustable, heated and with front passenger exterior mirror lowering function

Design Package Plus

- » LED Matrix headlights incl. "Dynamic Light Assist" and IQ. Light
- » Illuminated light bar between headlights
- » 3D LED taillights with dynamic turn signals
- » Tinted rear windows **with heat-reflecting and acoustic glass**
- » **Panoramic sunroof**

Infotainment Package Plus

- » Navigation system "Discover Pro"
- » Comfort mobile phone interface
- » Wireless smartphone charging
- » **Augmented reality head-up display**
- » **12" 'Discover Max' Navigation System**

Functional Equipment

- » Heat Pump

Charging Equipment

- » Battery charging capacity - max. 11kW AC, max. 125kW DC
- » **12" 'Discover Max' Navigation System**

Comfort Package Plus

- » Leather-wrapped multifunction steering wheel, heated
- » Heated front window washer nozzles
- » Rain sensor
- » Noise and heat insulating glass windscreen
- » Heated front seats
- » Centre console with illuminated storage compartment and roller blind, and two cup holders with exchangeable inserts
- » 2 USB-C interfaces in front, 2 USB-C charging ports in rear
- » Air Care Climatronic air conditioning with enhanced air filter, **controls at the rear and 3-zone temperature control**
- » **Net partition**
- » **Luggage net**

Sport Package Plus

- » Progressive steering
- » Sports suspension
- » **Adaptive chassis control "Dynamic Chassis Control"**

Assistance Package Plus

- » Rear view camera
- » IQ. Light "Eye Technology" welcome scenarios
- » "Keyless Access Advanced" locking and starting system
- » Illuminated door handles
- » Anti-Theft alarm
- » Proactive occupant protection system
- » **Travel Assist, Emergency Assist, Side Assist**
- » **Area View overhead camera incl. reversing camera**
- » **Sensor-controlled Easy Open & Close bootlid**

Number of cells	TBC	TBC
Nominal voltage, V	TBC	TBC
Charging time, AC, 2.3kW 0%-100%, hour ¹	TBC	TBC
Charging time, AC, 7.4kW 0%-100%, hour ¹	TBC	TBC
Charging time, DC 5%-80%, hour ¹	TBC	TBC
Combined CO ₂ emissions, g/km	0	0

¹These are average charging times that can vary depending on certain conditions, such as temperature.

²The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (kWh/100km) and CO₂ emissions and are correct at the time of print. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and CO₂ emissions produced. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

VRT Bands and rate of annual Road Tax are valid as of 1st January 2021 and calculated from the base model WLTP values for model year 2021 cars produced from CW48/2020 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 7th April 2021. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

Grants & Incentives

Grants

		Private	Commercial
VRT REBATE	VRT relief is available for battery electric vehicles. The VRT relief for Battery Electric vehicles is tapered by 50% for every €1 for vehicles with an OMSP over €40,000, so that no amount of relief is available for BEVs with an OMSP value of over €50,000	■	■
SEAI GRANT	€5,000 available off the RRP for private use	■	—
HOME CHARGER INSTALLATION GRANT	€600 rebate following installation and signoff by SafeElectric registered installer	■	—

Incentives

		Private	Commercial
CHARGE POINT MAP	ESB eCARS manage a free app allowing users to identify charge points and their availability https://www.esb.ie/our-businesses/ecars/charge-point-map	■	■
TOLL FEES	From July 2018-2022 there is an Electric Vehicle tolling incentive- this will provide savings of up to €500 per annum	■	■
0% BENEFIT IN KIND (BIK)	Battery Electric vehicles used as Company cars are fully exempt from BIK for 3-5 years, <i>Note: It is important to get the advice from your accountant or tax adviser to ensure that you are eligible in advance</i>	—	■
ACCELERATED CAPITAL ALLOWANCE	It allows companies to deduct the full cost of such equipment from their taxable profits in the same year of purchase. <i>Note: It is subject to the same rules as the standard plant & machinery wear and tear allowance</i>	—	■
FREE/REDUCED PARKING	Some local authorities allow for free parking when charging	■	■

■ Standard — Not available

We Charge

We Charge Benefits

- » Reduced tariffs for ID.4 customers
- » Simple registration with your Volkswagen ID account
- » Search and find public charging points
- » Pre-planning tours with charge stops
- » Starting and stopping charging processes
- » Easy management of charge cards & tariffs
- » Full cost control through price transparency for charging points
- » ID. Charger Connect/Pro management and remote control

IONITY

With IONITY, you have the freedom to go, and the power to be spontaneous. Europe's leading, high power charging network for electric vehicles (EVs) means only stopping when you want to stretch your legs – and the confidence to travel across Ireland.

- » 6 charging stations along major motorways in Ireland
- » Average 120 km to the next IONITY charging station
- » An average of 4 - 6 charging points per station
- » ID.4 has a charging capacity of up to 125 kW and can charge from 5% to 80% in only 35 minutes with IONITY
- » A record-setting, high-speed charging capacity of up to 350 kW DC (depending on capacity of car)
- » An experience so intuitive you already know how to use it.
- » Fully integrated with We Charge
- » All IONITY stations are powered by 100% renewable energy
- » Use of the European CCS charging standard, achieving the widest compatibility across electric vehicles past, present, and future

Effective from 07 April 2021, for production from CW48/2020 onwards. All prices include VAT and VRT. These prices are subject to change once technical data comes available.

ID. Charger

The ID. Charger will enable you to charge your ID.4 seamlessly and to be ready to depart on your next journey. All you need to do is order the ID. Charger online from Volkswagen.ie and we will look after the rest including a remote home check, Installation and setup.¹ For eligible private customers, SEAI offer an EV Home Charger Grant of €600 towards the cost of purchasing an ID. Charger with Installation.

There are three different variants of our ID. Charger:

ID. Charger

- » Charging performance – up to 7.4 kW AC (single-phase) or 11 kW AC (three-phase)
- » The attached (Type 2) charging cable is fixed to your ID. Charger with an option of 4.5 m or 7.5 m length
- » Integrated DC fault current detection ≥ 6 mA - no RCD type B required (Saving up to €200)
- » Dynamic load management (Blackout Protection) ready

ID. Charger from €393
ID. Charger + Installation
from €1,155

(Note: Only €555 after SEAI Grant²)

ID. Charger Connect (In addition to ID. Charger)

- » Wi-Fi/Ethernet communication
- » Secure and stable LTE mobile communication³
- » Safe data transfer using the latest standard (OCCP 2.0)
- » Safe access control with RFID card
- » Remote access via Volkswagen We Connect ID. app
- » Future proof via remote software updates
- » Plug & Charge (ISO 15118) via software update
- » EEBUS communication for energy management via software update

ID. Charger Connect from €589
ID. Charger Connect + Installation
from €1,376

(Note: Only €776 after SEAI Grant²)

ID. Charger Pro (In addition to ID. Charger Connect)

- » Secure and stable LTE mobile communication included
- » MID certified electricity monitoring and deduction, e.g. for company car drivers

ID. Charger Pro from €835
ID. Charger Pro + Installation
from €1,603

(Note: Only €1,003 after SEAI Grant²)

Standard Installation package

You order. We'll take care of the rest. We offer everything you need to start your electrifying future. The following services are included in our standard installation package:

- » Remote/Virtual Home Check and if necessary Physical On-Site Home Check
- » Up to two wall openings
- » Up to 15 m cabling from fuse box to ID. Charger
- » Residual current and wiring protection
- » Installation and commissioning

Installation Package Benefits

- » Comprehensive Installation package and ID. Charger from one supplier
- » Professional and Safe Electric Registered Electrical Contractor (REC)
- » Installation of fuses recommended by law
- » 24-month guarantee on the Installation
- » Seamless on-site and after sales support

¹ The customer should apply for the SEAI grant before ordering the ID. Charger. Please see www.seai.ie for further information.

² For eligible private customers, SEAI offer an EV Home Charger Grant of €600, see www.seai.ie for further information.

³ Optional add-on €200

For further information visit www.volkswagen.ie
