* Subject to final type approval data.

** Private Customers state subsidies comprise of VRT relief and SEAI (Sustainable Energy Authority of Ireland) grant, Business/Commercial Buyers state subsidies comprise of VRT relief, all of which are subject to approval.

† All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland and are inclusive of VAT.

² ID.3 1st model variants are subject to availability. Please consult with your preferred Volkswagen retailer.
ID.3 1st Max model variant production starts November 2020.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP) and are correct at the time of print. WLTP replaces the previous NEDC test method. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and CO₂ emissions produced. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

¹ VRT Bands and rate of Annual Road tax are valid as of 1st January 2020 and calculated from the correlated NEDC figure derived from WLTP for cars produced from CW48/2019 onwards.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going to print 17th June 2020. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

Grants & Incentives

Grants

		Private	Commercial
VRT REBATE	€5,000 available off the VRT for private and commercial use	■	■
SEAI GRANT	€5,000 available off the RRP for private use	■	—
HOME CHARGER INSTALLATION GRANT	€600 rebate following installation and signoff by SafeElectric registered installer	■	—

Incentives

		Private	Commercial
WE CHARGE	As a We Charge customer, buyers of the exclusive ID.3 1st Edition receive free access at public charging points for one year or a maximum of 2,000 kWh, whichever occurs soonest (up to the value of €600). There is also reduced price tariffs for ID.3 customers.	■	■
FREE PUBLIC AC CHARGING	ID.3 owners can apply to ESB eCARS for an access card to the public charging network of charge points. https://esb.ie/ecars	■	■
CHARGE POINT MAP	ESB eCARS manage a free app allowing users to identify charge points and their availability https://www.esb.ie/our-businesses/ecars/charge-point-map	■	■
TOLL FEES	From July 2018-2022 there is an Electric Vehicle tolling incentive- this will provide savings of up to 500 per annum	■	■
0% BENEFIT IN KIND (BIK)	Battery Electric vehicles used as Company cars are fully exempt from BIK for 3-5 years, <i>Note: It is important to get the advice from your accountant or tax adviser to ensure that you are eligible in advance</i>	—	■
ACCELERATED CAPITAL ALLOWANCE	It allows companies to deduct the full cost of such equipment from their taxable profits in the same year of purchase. <i>Note: It is subject to the same rules as the standard plant & machinery wear and tear allowance</i>	—	■
FREE/REDUCED PARKING	Some local authorities allow for free parking when charging	■	■

■ Standard — Not available

We Charge

At Volkswagen, we want to thank you for being our customer. As a We Charge customer, buyers of the exclusive ID.3 1st Edition receive free access at public charging points for one year or a maximum of 2,000 kWh, whichever occurs soonest*. This is accessible through IONITY, high performance charging network, and all public charging points connected with the We Charge service including the ESB ecars charging network.

We Charge Benefits

- » Reduced tariffs for ID.3 customers
- » Simple registration with your Volkswagen ID account
- » Search and find public charging points
- » Pre-planning tours with charge stops
- » Starting and stopping charging processes
- » Easy management of charge cards & tariffs
- » Full cost control through price transparency for charging points
- » ID. Charger Connect/Pro management and remote control

IONITY

With IONITY, you have the freedom to go, and the power to be spontaneous. Europe's leading, high power charging network for electric vehicles (EVs) means only stopping when you want to stretch your legs – and the confidence to travel across Ireland.

- » 6 charging stations along major motorways in Ireland
- » Average 120 km to the next IONITY charging station
- » An average of 4 - 6 charging points per station
- » ID.3 1st has a charging capacity of 100 kW and can charge from 5% to 80% in only 35 minutes with IONITY
- » A record-setting, high-speed charging capacity of up to 350 kW DC (depending on capacity of car)
- » An experience so intuitive you already know how to use it.
- » Fully integrated with We Charge
- » All IONITY stations are powered by 100% renewable energy
- » Use of the European CCS charging standard, achieving the widest compatibility across electric vehicles past, present, and future

For further information visit www.ionity.eu
 *up to the value of €600

Effective from 17 June 2020, for MY2020. All prices include VAT and VRT. These prices are subject to change once technical data comes available

ID. Charger

The ID. Charger will enable you to charge your ID.3 seamlessly and to be ready to depart on your next journey. All you need to do is order the ID. Charger online from Volkswagen.ie and we will look after the rest including a remote home check, Installation and setup.¹ For eligible private customers, SEAI offer an EV Home Charger Grant of €600 towards the cost of purchasing an ID. Charger with Installation.

There are three different variants of our ID. Charger:

ID. Charger

- » Charging performance – up to 7.4 kW AC (single-phase) or 11 kW AC (three-phase)
- » The attached (Type 2) charging cable is fixed to your ID. Charger with an option of 4.5 m or 7.5 m length
- » Integrated DC fault current detection ≥ 6 mA - no RCD type B required (Saving up to €200)
- » Dynamic load management (Blackout Protection) ready

ID. Charger from €399
ID. Charger + Installation
from €1,155

(Note: Only €555 after SEAI Grant²)

ID. Charger Connect (In addition to ID. Charger)

- » Wi-Fi/Ethernet communication
- » Secure and stable LTE mobile communication³
- » Safe data transfer using the latest standard (OCCP 2.0)
- » Safe access control with RFID card
- » Remote access via Volkswagen We Connect ID. app
- » Future proof via remote software updates
- » Plug & Charge (ISO 15118) via software update
- » EEBUS communication for energy management via software update

ID. Charger Connect from €599
ID. Charger Connect + Installation
from €1,399

(Note: Only €799 after SEAI Grant²)

ID. Charger Pro (In addition to ID. Charger Connect)

- » Secure and stable LTE mobile communication included
- » MID certified electricity monitoring and deduction, e.g. for company car drivers

ID. Charger Pro from €849
ID. Charger Pro + Installation
from €1,629

(Note: Only €1,029 after SEAI Grant²)

Standard Installation package

You order. We'll take care of the rest. We offer everything you need to start your electrifying future. The following services are included in our standard installation package:

- » Remote/Virtual Home Check and if necessary Physical On-Site Home Check
- » Up to two wall openings
- » Up to 15 m cabling from fuse box to ID. Charger
- » Residual current and wiring protection
- » Installation and commissioning

Installation Package Benefits

- » Comprehensive Installation package and ID. Charger from one supplier
- » Professional and Safe Electric Registered Electrical Contractor (REC)
- » Installation of fuses recommended by law
- » 24-month guarantee on the Installation
- » Seamless on-site and after sales support

For further information visit www.volkswagen.ie

¹ The customer should apply for the SEAI grant before ordering the ID. Charger. Please see www.seai.ie for further information.

² For eligible private customers, SEAI offer an EV Home Charger Grant of €600, see www.seai.ie for further information.

³ Optional add-on €200

Effective from 17 June 2020, for MY2020. All prices include VAT and VRT. These prices are subject to change once technical data comes available

ID.3 1st

Interior Equipment

- » Leather wrapped multifunction steering wheel, heated
- » Seat trim covers in 'Fragment' cloth upholstery
- » Heated front seats
- » Ambient Lighting in 10 colours
- » Play/Pause pedals
- » 1st Edition unique steering wheel clasp
- » 1st Edition unique Infotainment welcome screen
- » Centre console and armrest
- » Dimming interior rear view mirror
- » Carpet mats in front and rear

Exterior Equipment

- » 18" Alloy wheels including wheel locks with extended anti-theft protection
- » LED headlights with automatic headlight control
- » Tail lights incorporating LED technology
- » Exterior mirrors power adjustable, heated
- » 1st Edition unique exterior badging
- » 1st Edition C-pillar design
- » Silver coloured exterior mirror housings
- » Black roof and rear hatch

Charging Equipment

- » Three pin home socket charging cable, 10A
- » Charging cable Mode 3 Type 2, 16 A
- » Battery charging capacity - max. 11kW AC, max. 100kW DC
- » 8 year battery warranty or 160,000km, whichever comes first
- » We Charge RFID card with One Year or 2,000kWh free charging (up to the value of €600)

Functional Equipment

- » Discover Pro Navigation system
- » 2-Zone Air Care Climatronic
- » Lane keeping system 'Lane Assist'
- » 'Keyless Start' without SAFELOCK
- » 2 front USB-C interfaces and 2 rear USB-C interfaces for charging
- » Forward Collision Warning 'Front Assist'
- » Car 2X Technology car-to-car wireless information transfer
- » Adaptive cruise control ACC stop & go incl. speed limiter
- » Wired App Connect (Android Auto) and wireless App Connect (Apple CarPlay)*
- » We Connect
- » Park Distance control - warning signals for obstacles in front and rear
- » Dynamic Road Sign Display
- » High beam control 'Light Assist'
- » eCall emergency call service
- » Natural voice control
- » Driving Profile Selection
- » Rain Sensor
- » Digital Instrument Cluster with Gear Selector on steering column
- » Automatically heated washer nozzles in front
- » Diversity antenna for FM reception
- » Digital Radio Reception DAB+
- » Tool Kit
- » Tyre Pressure monitoring system

Safety

- » Driver's and front passenger's airbag with front passenger deactivation
- » Curtain and side airbag in front, with center airbag
- » ISOFIX anchorage points for two child seats on rear and front passenger seat
- » Safety-optimised front head restraints
- » 3 rear headrests, all lowerable
- » 3-point seat belts front with seat belt pretensioner
- » 3-point seat belts, rear
- » Warning signal and warning light for front and rear seat belts not fastened
- » Reflectors in all doors
- » Hill start assist
- » Emergency braking with pedestrian and cyclist monitoring
- » Electronic steering column lock
- » Electromechanical speed-sensitive power steering
- » Electronic Engine Immobiliser
- » Electric mechanical Brake Booster
- » Electronic engine sound
- » Oncoming vehicle braking when turning and swerve support
- » Proactive passenger protection system
- » Driver Alert System

**Note: At market launch in September, the App Connect function will not yet have been activated. For applicable vehicles, a software update will be provided later.*

ID.3 1st Plus (in addition to ID.3 1st)

Interior Equipment

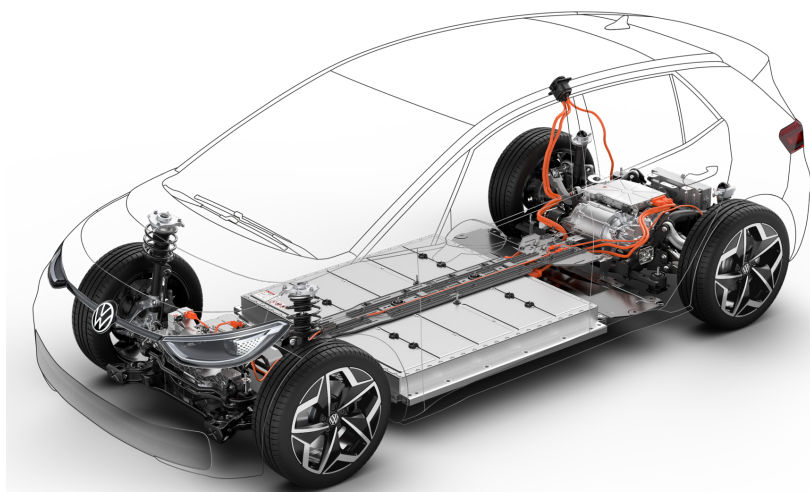

- » Design seat trim covers in 'flow' Microfleece 'ArtVelours' upholstery
- » Interior Ambient Lighting with 30 colours
- » Centre Console with illuminated storage compartment with sliding cover and two cup holders
- » Auto-dimming interior rear view mirror

Exterior Equipment

- » 19" Alloy wheels with Airstop tyres
- » Folding exterior mirrors, power adjustable, heated and with front passenger exterior mirror lowering function
- » Tinted rear windows
- » Matrix LED Lights front with poor weather light
- » Rear LED lights with configurable design setting and dynamic turn signal
- » Exterior Ambient Lighting
- » Roof trim strip and rear pillar finished in silver, air intake and sill in 'Grey Tech Metallic'
- » Illuminated door handles
- » Welcome light in exterior mirrors
- » Door and side trim panel in foam film with insert in leatherette

Functional Equipment

- » Rear view camera
- » Keyless Access Advanced
- » Split folding back rest with rear centre armrest and load through hatch
- » Advanced high beam control

ID.3 1st Max (in addition to ID.3 1st Plus)

Interior Equipment

- » Ergo-Active Seats in front with power control and thigh support
- » Pneumatically adjustable lumbar support with Massage function in front seats
- » Luggage compartment floor

Exterior Equipment

- » 20" Alloy Wheels with airstop tyres
- » Fixed Panoramic roof
- » Sound Insulating Windsheild

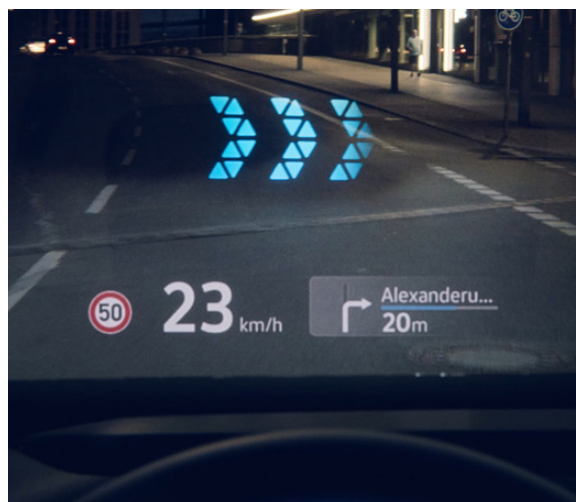

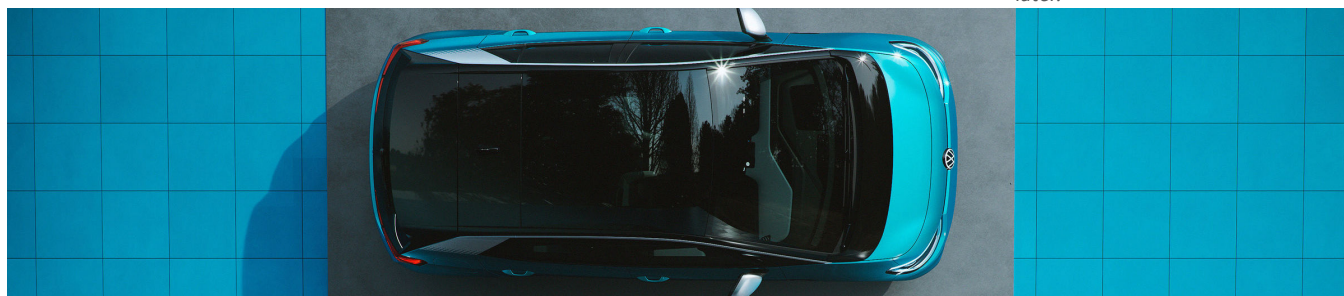

Functional Equipment

- » Augmented Reality Head-Up Display*
- » Travel Assist
- » Emergency Assist
- » Side Assist
- » Wireless smartphone charging
- » Comfort mobile phone interface
- » Additional sound system speakers

**Note: At market launch in September, the distance feature in the head-up display will not yet have been activated. For applicable vehicles, a software update will be provided later.*

Technical Data

Engine

ID.3 1st Edition

Engine type	Electric
Driving range WLTP* Combined, km	410-424
Max. output, HP/kW	204/150
Max. torque, Nm	310
Gearbox	Single-speed

Performance

Top speed, km/h, where the law permits:	160
Acceleration, secs 0 – 100km/h:	7.3

Battery and charging system

Battery type	Lithium Ion
Weight of battery, kgs	TBC
Gross vehicle weight, kgs	2,260
Rated capacity, kWh	58
Official consumption WLTP*, kWh/100km	15.5-16.9
Number of cells/modules	TBC
Nominal voltage, V	TBC
Charging time, AC, 2.3kW 0%-100%, hour**	25h0m
Charging time, AC, 7.4kW 0%-100%, hour**	9h30m
Charging time, DC 5%-80%, hour**	0h35m
Combined CO2 emissions, g/km	0

* Awaiting Type Approval

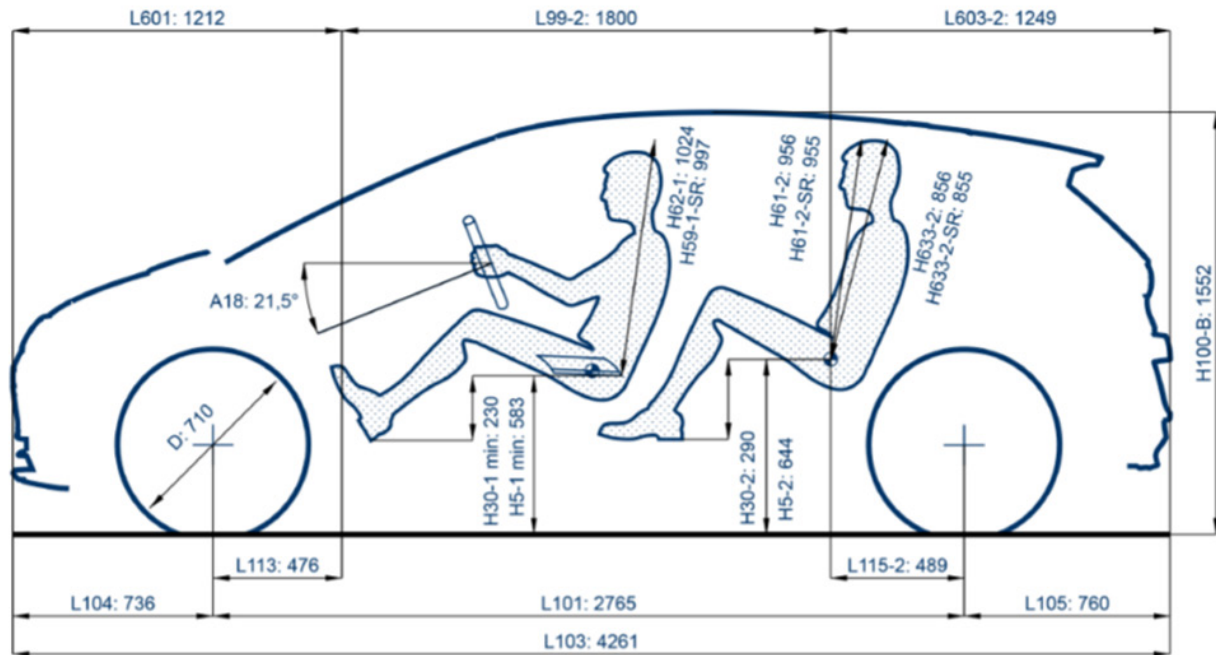

** These are average charging times that can vary depending on certain conditions, such as temperature.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (kWh/100km) and CO₂ emissions and are correct at the time of print. WLTP replaces the previous NEDC test method. The WLTP Min. value refers to the minimum values of the standard entry version excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and CO₂ emissions produced. The WLTP Max. value refers to the maximum value achieved considering optional extras. To discover exact values please configure your desired vehicle at please visit volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 17th June 2020. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.
