Note: EVO = New Engine Technology

¹VRT Bands and rate of Annual Road Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2022 cars produced from CW48/2021 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

²The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

³All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland and are inclusive of VAT.

*Recommended 'On the Road' Retail price.

Importantly note that the rate at which your vehicle pays Vehicle Registration Tax may increase as a result of your vehicle configuration. For more information, please consult your local Authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie configurator for details relating to the tyres applicable to said vehicles

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 1st January 2022. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

Passat Business

Interior Equipment

- » Leather wrapped multi-function steering wheel
- » Door and side trim panels in foam film and woven fabric
- » Floor mats front and rear
- » Instrument cluster with electronic speedometer, trip odometer and tachometer
- » Front seats with manual height adjustment
- » Vanity mirrors in front sun visors
- » 2 cup holders, front
- » Arm rest rear with cupholders
- » Comfort seats, front
- » Fabric seat coverings 'Weave'
- » ErgoActive driver's seat with seat cushion tilt adjustment, thigh support and electric backrest adjustment on the driver's side
- » Electrically adjustable lumbar support for driver's seat
- » Illuminated vanity mirrors in sun visors
- » Decorative inserts 'Cross Hatch' for dashboard and door trim panels
- » Decorative inserts 'Piano Black' for centre console
- » 3-Zone Climatronic Air Conditioning
- » 2 LED light units in footwell
- » Ambient lighting
- » Light & Vision package
- » LED warning light in front door

Exterior Equipment

- » 17" 'London' alloy wheels including wheel locks with extended anti-theft protection
- » Tail lights incorporating LED technology
- » Side and rear windows in heat-insulating glass
- » Rear fog lamp

- » LED headlamps with automatic headlight activation with separate LED daytime running lights, "Leaving Home" and manual "Coming Home" function
- » Tinted rear windows
- » LED front fog lights with cornering function
- » Chrome package

Functional Equipment

- » Lane keeping system
- » Central locking system with radio remote control, 2 keys and "Keyless Go" functionality
- » Electric windows, front and rear
- » Forward collision warning system "Front Assist" including Autonomous emergency brake
- » Electric parking brake including Auto-hold function
- » Bluetooth connectivity
- » USB type C interface
- » Separate daytime running lights
- » Rear View Camera
- » Ready2Discover Media
- » Wired and Wireless App Connect
- » Heated Folding Mirrors
- » DAB Radio reception
- » Multifunction colour display "Colour"
- » Two-tone horn
- » Driver alert system
- » Remote unlocking for boot lid
- » Front windshield wiper with intermittent control
- » Tire pressure monitoring system
- » WeConnect 1 Year Subscription
- » Private emergency call system
- » Multifunction camera for "Front Assist"
- » Electronically controlled Air Conditioning system

- » Tailgate lid release from inside (electrically)
- » Tire mobility kit
- » Park distance control (PDC) – acoustic warning signal for obstacles in the front and rear
- » Auto-dimming interior mirror
- » Rain sensor
- » 12-V outlet in rear centre console, rear and in luggage compartment
- » Advanced individual tyre pressure monitoring
- » Adaptive Cruise Control
- » Leather wrapped multifunction steering wheel with tiptronic (DSG only)

Safety Equipment

- » Electronic Stability Control (ESC) with multiple impact brake and driver steering recommendation including Anti-lock Braking System (ABS) with brake assist system, anti-spin regulation (ASR), Electronic Differential Lock (EDL), Engine Drag Torque Control (EDTC) and trailer stabilisation
- » Driver's and front passenger's airbag with front passenger deactivation, including knee airbag on driver side
- » Curtain airbag system for front and rear occupants including side airbags in front
- » Safety-optimised front head restraints
- » 3 rear headrests, all lowerable

□ Available - Not available *Optional at extra cost

Effective from 01 January 2022, for production from CW48/2021 onwards. All prices include VAT and VRT. These prices are subject to change once technical data comes available.

Alloy Wheels

The addition of optional extras may result in the vehicle increasing in Co2 g/km and therefore, attracting a higher rate of VRT than described in this product guide. For your exact configuration value, both Co2 g/km and RRP, please visit [volkswagen.ie configurator](https://www.volkswagen.ie/configurator).

STANDARD ON BUSINESS MODELS

17" 'London' alloy wheels

Emission class	EURO 6	EURO 6		EURO 6	

¹VRT Bands and rate of annual Road Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2022 cars produced from CW48/2021 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.

Importantly note that the rate at which your vehicle pays Vehicle Registration Tax may increase as a result of your vehicle configuration. For more information, please consult your local Authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie/configurator for details relating to the tyres applicable to said vehicles.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date at the time of going print 1st October 2022. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

ID. Charger

The ID. Charger will enable you to charge your PHEV seamlessly, making it ready to depart on your next journey. All you need to do is order the ID. Charger online from your retailer and we will look after the rest including a remote home check, installation and setup.¹ For eligible private and commercial customers, SEAI offer an EV Home Charger Grant of €600 towards the cost of purchasing an ID. Charger with Installation.

There are three different variants of our ID. Charger:

ID. Charger

- » Charging performance – up to 7.4 kW AC (single-phase) or 11 kW AC (three-phase)
- » The attached (Type 2) charging cable is fixed to your ID. Charger with an option of 4.5 m or 7.5 m length
- » Integrated DC fault current detection ≥ 6 mA - no RCD type B required (Saving up to €200)
- » Dynamic load management (Blackout Protection) ready²

ID. Charger from €494
ID. Charger + Installation from €729*

(*From €1,329 before SEAI Grant³)

ID. Charger Connect (In addition to ID. Charger)

- » Wi-Fi/Ethernet communication
- » Secure and stable LTE mobile communication⁴
- » Safe data transfer using the latest standard (OCCP 2.0)
- » Safe access control with RFID card
- » Remote access via Volkswagen We Connect ID. app
- » Future proof via remote software updates
- » Plug & Charge (ISO 15118) via software update
- » EEBUS communication for energy management via software update

ID. Charger Connect from €764
ID. Charger Connect + Installation from €949*

(*From €1,549 before SEAI Grant³)

ID. Charger Pro (In addition to ID. Charger Connect)

- » Secure and stable LTE mobile communication included
- » MID certified electricity monitoring and deduction, e.g. for company car drivers

ID. Charger Pro from €1,114
ID. Charger Pro + Installation from €1,279*

(*From €1,879 before SEAI Grant³)

Standard Installation package

You order. We'll take care of the rest. We offer everything you need to start your electrifying future. The following services are included in our standard installation package:

- » Remote/Virtual Home Check and if necessary Physical On-Site Home Check
- » Up to two wall openings
- » Up to 15 m cabling from fuse box to ID. Charger
- » Residual current and wiring protection
- » Installation and commissioning

Installation Package Benefits

- » Comprehensive Installation package and ID. Charger from one supplier
- » Professional and Safe Electric Registered Electrical Contractor (REC)
- » Installation of fuses recommended by law
- » 24-month guarantee on the Installation
- » Seamless on-site and after sales support

¹ The customer should apply for the SEAI grant before ordering the ID. Charger. Please see www.seai.ie for further information.

² Our standard installation package does not include a Dynamic Load Management solution. Whether this is required will be jointly evaluated during the remote home check with the installation provider. Homes with other large power consumers such as electric shower or heat pump need this solution to manage the total house load. In case it is needed, our installation partner will offer it directly to you for approximately €240.

³ For eligible private and commercial customers, SEAI offer an EV Home Charger Grant of €600, see www.seai.ie for further information.

⁴ Optional add-on €215
