ROTR Price = Recommended On the Road Price.

\* M = Manual / D = DSG. 5/6/7 = No. of Speeds. F = Front wheel drive.

\*\* All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland.

The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (l/100km) and CO<sub>2</sub> emissions and are correct at the time of print. WLTP replaces the previous NEDC test method. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO<sub>2</sub> emissions produced. To discover exact values please configure your desired vehicle at [volkswagen.ie/build](http://volkswagen.ie/build). You can discover more about the WLTP at [volkswagen.ie/wltp](http://volkswagen.ie/wltp).

<sup>1</sup> VRT Bands and rate of Annual Road tax are valid as of 1st January 2020 and calculated from the correlated NEDC figure derived from WLTP. Due to the change over to the new emission norm EU6d-temp-EVAP the technical data, features and consumption figures for this model under MY2020 were not available at the time of going to print.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO<sub>2</sub>, fuel consumption and technical information) were accurate and up-to-date at the time of going print 1st January 2020. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.
