- (1) VRT Bands and rate of Annual Road Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2026 cars produced from CW48/2025 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.
- (2) The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/ auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.
- (3) All prices (Retail, Delivery & ROTR) are recommended by Volkswagen Ireland. €1,965 includes optional Service Plan which can be removed upon request. Maximum delivery charge with Service Plan removed is €1,125. *Recommended On the Road Price. The new Service Plan is applicable to 261 registrations only.
 - Importantly note that the rate at which your vehicle pays Vehicle Registration Tax may increase as a result of your vehicle configuration. For more information, please consult your local Authorised Volkswagen retailer.
 - In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie configurator for details relating to the tyres applicable to said vehicles.
 - Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date upon publishing on May 20th 2026. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.
 - 3 Years Tyre Insurance covers tyres that are damaged by an Insured Event. Exclusions do apply. For more information on general terms and conditions, please visit volkswagen.ie

GTE

All below specification is included as highlights of GTE:

- 17" 'Richmond' alloy wheels
- GTE specific decorative inserts "Mesh" for dashboard and front door trim panels
- GTE specific body-coloured bumpers, air intake in honeycomb structure
- GTE exterior badging
- Head-Up display
- Electronic differential lock XDS
- Sports suspension
- Premium sports seats in front

GTI

(in addition to GTE)

All below specification is included as highlights of GTI:

- 18" 'Richmond' alloy wheels
- GTI specific decorative inserts "Mesh" for dashboard and front door trim panels
- Sport front seats and rear seats specific fabric "Scale Paper" with GTI logo embraced on seats
- GTI leather-wrapped multi-function sports steering wheel with red topstitching and push buttons, heated, and shift paddles.

GTI Clubsport

(in addition to GTI)

All below specification is included as highlights of GTI Clubsport:

- GTI Clubsport specific sport seats
- GTI Clubsport specific side trims
- Cornering light and poor weather light
- GTI Clubsport specific body-coloured bumpers, air intake in honeycomb structure
- Progressive steering
- GTI Clubsport shock absorption in front and rear
- Rear stabilizer bar

Discover the trimline for you. Discover more at [volkswagen.ie](https://www.volkswagen.ie)

R

All below specification is included as highlights of R:

- 18" 'Jerez' alloy wheels
- Front and outer rear seats in fabric R-specific inner sides of bolsters in "ArtVelours" microfleece
- R specific badging, door and side trim panels
- Bumpers and sill extensions in body colour in "R" style
- Rear two-part spoiler in R style
- R specific brake callipers on front and rear wheels
- Painted R-design rear bumper
- 4MOTION torque vectoring four wheel drive system
- Body lowered by approx. 20mm for enhanced shock absorption

R Black Edition

(in addition to R)

All below specification is included as highlights of R Black Edition:

- 19" Estoril alloy wheels, Black
- Wheel hub cover with dark R-logo
- Black brake caliper with dark R logo
- Dark R Logo exterior badging in front and rear
- Black tailpipe trim
- Mirror caps in black
- R Performance package

Discover our special editions.

Leather Package

GTI Performance Package Edition 50

Dark Moss Green Metallic Paint

GTI Edition 50

Key Model Highlights:

- 2.0 TSI 325HP engine
- 19" Queenstown alloy wheels
- GTI 50 exterior styling package
- GTI 50 anniversary interior
- Darkened VW logos, front and rear
- Adaptive chassis control

Optional extras:

- Leather Package
- Performance Package (incl. 19" Warmenau Alloy Wheels in Black, performance system and sports suspension)
- 2 exclusive paint options in Dark Moss Green and Tornado Red

Tinted rear windows

3D LED rear combination lamps

IQ.Light - LED matrix headlamps with high beam plus

Black Style Package

Includes:

- 3D LED rear combination lamps
- Advanced High Beam Control Dynamic Light Assist
- Dynamic headlight range control with dynamic cornering light
- Illuminated VW Logo in front, molding between headlamps & door handle recesses
- IQ.Light - LED matrix headlamps with high beam plus
- Tinted rear windows

Dynamic headlight range control with dynamic cornering light

The system can detect oncoming vehicles and vehicles ahead and automatically masks the corresponding areas of your main beam headlights. dynamic cornering light give up to 90% better illumination of corners as the headlight beam will swivel to follow the angle of your steering wheel. The steering movement of the headlight units, which include small servomotors, is controlled by signals from the steering angle sensor, among other things. The maximum swivel angle of the cornering lights is 15 degrees. This gives you early warning of any hazards and some vital extra time to react.

Advanced high-beam control Dynamic Light Assist

The optional advanced main-beam control Dynamic Light Assist improves visibility at night. The system can detect oncoming vehicles and vehicles ahead and automatically masks the corresponding areas of your main beam headlights.¹ In built-up areas, the vehicle also switches automatically from main beam to dipped beam. This means that you can drive for longer and more often with the main beam on. Streets are thus better illuminated and obstacles can be detected earlier.

Combined Max torque, Nm	400
Battery Type	Lithium Ion
Battery energy capacity, kWh	19.7
Charging time: AC 2.3 kW, 100% State of Charge, hour:min	12:00
Charging time: AC 11 kW, 100% State of Charge, hour:min	02:30
Charging time: DC 40 kW, 10-80% State of Charge, hour:min	00:26
Electrical power consumption kWh/100km	
Combined, kWh/100km	15.9-16.1
Electrical range, km	131
WLTP emissions combined	
WLTP CO2 emission, g/km (min-max)	7.2-7.5

- VRT Bands and rate of Annual Road Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2026 cars produced from CW48/2025 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.
- The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/ auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at [volkswagen.ie/build](https://www.volkswagen.ie/build). You can discover more about the WLTP at [volkswagen.ie/wltp](https://www.volkswagen.ie/wltp).
- Importantly note that the rate at which your vehicle pays Vehicle Registration Tax may increase as a result of your vehicle configuration. For more information, please consult your local Authorised Volkswagen retailer.
- In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit [volkswagen.ie](https://www.volkswagen.ie) configurator for details relating to the tyres applicable to said vehicles.
- Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date upon publishing on May 20th 2026. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.
